What do we want the city to be like in 20 years? This workshop is your chance to help us write the vision that will guide our future. We will also look to get your input on areas of the city that we should reimagine or change. Please join us on November 8th and help us make Rohnert Park an even better place to live, work, and play.

Remember to check out [engage.envisionrp.com](http://engage.envisionrp.com) to let us know what you think Rohnert Park should be like in the year 2040! For more information about the General Plan process, documents, events, and meetings, visit [www.envisionrp.com](http://www.envisionrp.com).
