

How to Register to Volunteer

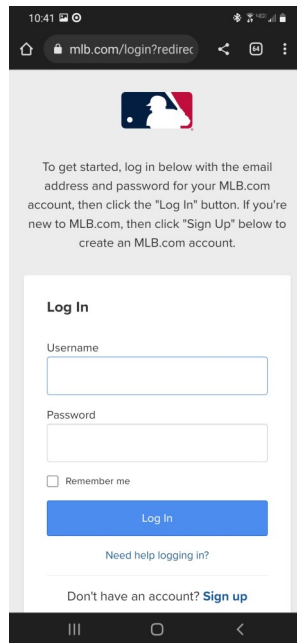

Before any volunteer is able to participate on the field they must all be registered and complete a background check. This is a guide on how to register to participate in Junior Giants.

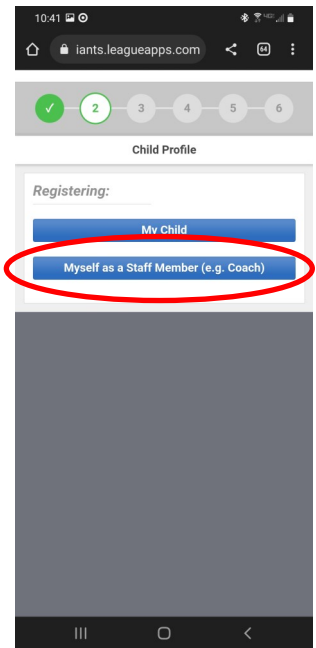

From www.rpcity.org/jrgiants click on the registration link

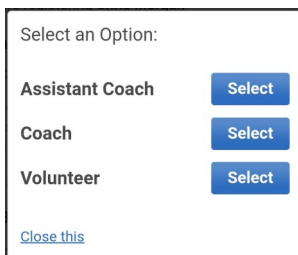

Click on the division you wish to volunteer for

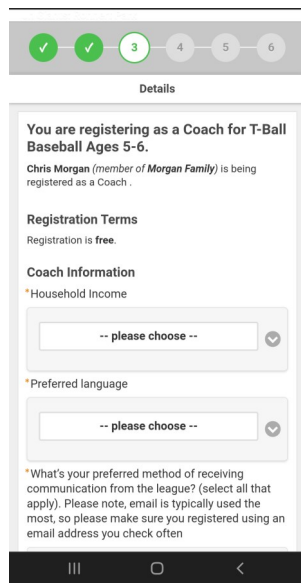

Login to your MLB Account. This should be the same one used to register your child. If you don't have a child you can create a new one

Select yourself as a staff member (even if you are volunteering as a team parent)

Now select the role you wish to volunteer for.

Continue answering all the remaining questions until you complete all 6 sections. This will complete your registration as a volunteer and you will be notified of the next steps.

Thank you for volunteering to be part of the Junior Giants. This program could not exist without volunteers just like you.
