

City of Rohnert Park
Public Works Department

DATE: March 28th 2024
TO: All Bidders
SUBJECT: CITY OF ROHNERT PARK
Stormwater MS4 Permit And Trash Amendment Compliance,
NO. OF PAGES: 1

ADDENDUM NO. 1

This package provides an addendum to the Project Contract Documents. This Addendum shall become part of the Contract and all provisions of the Contract shall apply thereto.

Bidders shall acknowledge receipt of this Addendum by signing the acknowledgement located in the Bid Proposal documents, under "Addendum Acknowledgement." Failure to do so may cause your bid to become non-responsive and subject to rejection.

INFORMATION

The City of Rohnert Park has received questions in regard to the RFP and would like to provide clarification. Please note the following additional information and clarifications to questions.

Questions:

Q1: Can you confirm the anticipated contract is a five-year term?

A1: This contract is anticipated for a five-year term, with significant activities expected upon the issuance of the new MS4 permit.

Q2: Under the Scope of Services, there is a task for monitoring and reporting. Is this specific to water quality sampling of receiving water, outfalls, etc., or some other type of monitoring? If it is other monitoring, is the City able to describe the type of monitoring needed under this task?

A2: The monitoring and reporting tasks under the Scope of Services are primarily designed for water quality sampling, including receiving waters and outfalls, in accordance with requirements likely outlined in the new permit. However, we are prepared to adapt to additional monitoring needs as specified by details in the new permit, ensuring comprehensive coverage of all necessary environmental assessments.
