

RESOLUTION NO. 2013-042

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROHNERT PARK
ACCEPTING SIX (6) GRANTS OF EASEMENT AND RIGHT OF WAY FROM THE
SONOMA LAND ACQUISITION COMPANY, LLC
(APN 045-074-001, APN 045-074-004, APN 045-074-011, APN 045-074-012,
APN 045-074-006, and APN 045-074-007)**

WHEREAS, the Sonoma Land Acquisition Company, LLC, owns six (6) properties located along Wilfred Avenue (APN 045-074-001, APN 045-074-004, APN 045-074-011, APN 045-074-012, APN 045-074-006, and APN 045-074-007).

WHEREAS, the widening of Wilfred Avenue/Golf Course Drive West is called for in the City's general plan.

WHEREAS, the City of Rohnert Park entered into a Joint Exercise of Powers Agreement ("JEPA") with Sonoma County representatives, and the Federated Indians of Graton Rancheria ("Tribe") to facilitate the road widening of Wilfred Avenue (hereinafter Wilfred Avenue Improvement Project).

WHEREAS, the JEPA provides for the Tribe, on behalf of the City, to facilitate the City's acquisition of right of way necessary for the Wilfred Avenue Improvement Project via voluntary grants.

WHEREAS, the Tribe has negotiated the purchase of the Grant of Easement and Right of Way needed from the Sonoma Land Acquisition Company, LLC.

WHEREAS, the six (6) Grants of Easement and Right of Way includes certificates of acceptance.

WHEREAS, the City desires to accept the six (6) Grants of Easement and Right of Way consistent with the Project.

WHEREAS, the Wilfred Avenue Improvement Project was previously approved by the City pursuant to a Notice of Exemption on September 25, 2012. The City filed a notice of exemption with the County Clerk on September 26, 2012 who posted it that same day through October 29, 2012. The acquisition of a perpetual easement proposed herein was anticipated in the approval of the Wilfred Avenue Improvement Project and is a subsequent action toward implementing said project. Accepting the proposed Grant of Easement and Right of Way does not involve any substantial changes to the Project, nor would such acceptance cause new or more severe environmental impacts. For those reasons, neither the obligation to comply with CEQA nor is the statute of limitations on that prior action are re-triggered by this action toward implementing the project.

WHEREAS, this action is exempt from compliance with the provisions of Government Code 65402 because this action involves a real property acquisition for street alignment purposes and is minor in nature.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Rohnert Park that it does hereby resolve, determine, find and order as follow:

Section 1. Acceptance of Grants of Easement and Right of Way. The City Council of the City of Rohnert Park hereby accepts the attached six (6) Grants of Easement and Right of Way, in substantially similar form as provided for in the attachment hereto subject to minor modification by the City Attorney, which is incorporated by this reference, from the Sonoma Land Acquisition Company, LLC for property located known as Assessor Parcel Numbers 045-074-001, 045-074-004, 045-074-011, 045-074-012, 045-074-006, and 045-074-007.

Section 2. Section 65402 Compliance. The acquisition of said property is exempt from compliance with the provisions of Government Code 65402 because this action involves a real property acquisition for street alignment purposes and is minor in nature.

Section 3. Mayoral Authorization. The Mayor of the City of Rohnert Park is hereby authorized and directed to execute the attached Grant of Easement and Right of Way, which includes a certificate of acceptance, in substantially similar form as provided for in the attachment hereto, which is incorporated by this reference, for and on behalf of the City of Rohnert Park.

Section 4. City Clerk Authorization. The City Clerk of the City of Rohnert Park is hereby authorized and directed to cause a certified copy of this resolution to be recorded with the Grant of Easement and Right of Way in the office of the Recorder of the Sonoma County, State of California for and on behalf of the City of Rohnert Park.

DULY AND REGULARLY ADOPTED this 12th day of March, 2013.

GRANT OF EASEMENT AND RIGHT OF WAY

This Grant of Easement and Right of Way (this "**Agreement**") is made effective as of February 16, 2013 ("**Effective Date**") by and between Sonoma Land Acquisition Company, LLC, a California limited liability company ("**Grantor**") and the City of Rohnert Park, a municipal corporation ("**Grantee**").

Recitals

A. Grantor is the owner of that certain real property in the City of Rohnert Park, in the County of Sonoma, State of California, and identified as Assessor's Parcel No. 045-074-001 (the "**Property**").

B. Grantee is in the process of acquiring real property interests for the purpose, inter alia, of the construction of the Golf Course Drive West / Wilfred Avenue Widening Project, as provided for in the Joint Exercise of Powers Agreement by and between the Grantee, the County of Sonoma, and the Federated Indians of Graton Rancheria for the Implementation of Mitigation Measures for Widening Wilfred Avenue.

NOW THEREFORE, in consideration of the foregoing recitals and for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor and Grantee agree as follows:

1. Grant of Perpetual Easement. Grantor hereby grants and conveys to Grantee an exclusive, perpetual easement and right of way (the "**Perpetual Easement**") for public street and utility purposes, and for any and all public service facilities, including but not limited to electric, gas, telephone, cable, wires, fiber optics, water, storm drainage, sanitary sewer, etc., and all appurtenances thereto, including without limitation, sidewalks, curbs and gutters, with the right to enter upon the Easement Area (defined below) at any time for the installation, construction, removal, replacement, repair, use, operation, inspection, maintenance, or undertaking similar activities, as the Grantee may see fit, for use in connection therewith or appurtenant thereto, in, over, under, along and across that portion of Grantor's real property more particularly described in Exhibit A and depicted in Exhibit B, both attached hereto and incorporated herein by reference (the "**Easement Area**").

The Perpetual Easement includes the right of ingress to, and egress from the Easement Area, and the right at all times to enter in, over and upon the Easement Area and every part thereof to perform the actions stated above by the Grantee, its employees, its agents and its contractors with vehicles and equipment.

2. Grantor's Responsibilities. The Grantor and the Grantor's heirs, successors, and assigns shall not place or permit to be placed on the Easement Area any building, structure or other improvement, including but not limited to houses, garages, outbuildings, swimming pools, tennis courts, retaining walls, decks, and patios, nor allow to be done anything which may interfere with the full enjoyment by the Grantee of the rights herein granted.

3. Duration of Perpetual Easement. Grantee, its successors and assigns shall hold the Perpetual Easement forever, solely for the objects and purposes above stated and for no other object or purpose.

4. Grantee's Responsibilities. Grantee agrees that any pipe(s) installed within the Easement Area shall be constructed and maintained at a depth of at least eighteen (18) inches below the present surface of the ground. Grantee shall undertake, at Grantee's expense, all construction and installation work in the Easement Area in compliance with all applicable laws, rules, regulations, orders and requirements of any governmental authority or agency applicable to or affecting the Easement Area. At Grantee's expense, Grantee shall maintain, repair and replace all roadway, sidewalk, and related improvements that Grantee installs in the Easement Area. Grantee shall have the right, but not the obligation, to install trees, plants, shrubbery, groundcover and landscaping within the Easement Area; provided however, such right shall not impose upon Grantee any obligation to install, maintain, or improve any such landscaping.

5. Title and Lease Warranty. Grantor represents and warrants that to the best of Grantor's knowledge, Grantor is the sole fee owner of the Property, that Grantor is not under contract with any other party for the sale or other conveyance of the Property, that there are no oral or written leases in effect with respect to any portion of the Property, and that the Property is and will remain free and clear of all liens, encumbrances, and other title impediments of any nature, except those to which the Grantee has expressly agreed to in writing. Owner agrees to indemnify, defend with counsel approved by Grantee, hold harmless and reimburse Grantee and Grantee's elected and appointed officials, officers, representatives, agents and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, incurred as a result of the failure of any of Grantor's representations or warranties contained in this paragraph to be correct. The provisions of this Section 5 shall survive the close of escrow and recordation of this Agreement.

6. Waiver. Grantor, for itself, its heirs, successors and assigns, hereby waives any and all claims for damages which may accrue to the Property by reason of its severance from that portion subject to this Agreement. Grantor acknowledges for itself, its heirs, successors and assigns that it has been advised to seek advice of counsel on the issue of waiver of severance damages and has either done so or has chosen not to do so despite being given such advice. The Grantee assumes no liability with respect to the Property, or occurrences thereon, as a

consequence of the grant of easement contemplated hereby, unless and until the Grantee has formally accepted such grant via a Certificate of Acceptance.

GRANT OF EASEMENT AND RIGHT OF WAY

This Grant of Easement and Right of Way (this "**Agreement**") is made effective as of February 16, 2013 ("**Effective Date**") by and between Sonoma Land Acquisition Company, LLC, a California limited liability company ("**Grantor**") and the City of Rohnert Park, a municipal corporation ("**Grantee**").

Recitals

A. Grantor is the owner of that certain real property in the City of Rohnert Park, in the County of Sonoma, State of California, and identified as Assessor's Parcel No. 045-074-011 (the "**Property**").

B. Grantee is in the process of acquiring real property interests for the purpose, inter alia, of the construction of the Golf Course Drive West / Wilfred Avenue Widening Project, as provided for in the Joint Exercise of Powers Agreement by and between the Grantee, the County of Sonoma, and the Federated Indians of Graton Rancheria for the Implementation of Mitigation Measures for Widening Wilfred Avenue.

NOW THEREFORE, in consideration of the foregoing recitals and for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor and Grantee agree as follows:

1. Grant of Perpetual Easement. Grantor hereby grants and conveys to Grantee an exclusive, perpetual easement and right of way (the "**Perpetual Easement**") for public street and utility purposes, and for any and all public service facilities, including but not limited to electric, gas, telephone, cable, wires, fiber optics, water, storm drainage, sanitary sewer, etc., and all appurtenances thereto, including without limitation, sidewalks, curbs and gutters, with the right to enter upon the Easement Area (defined below) at any time for the installation, construction, removal, replacement, repair, use, operation, inspection, maintenance, or undertaking similar activities, as the Grantee may see fit, for use in connection therewith or appurtenant thereto, in, over, under, along and across that portion of Grantor's real property more particularly described in Exhibit A and depicted in Exhibit B, both attached hereto and incorporated herein by reference (the "**Easement Area**").

The Perpetual Easement includes the right of ingress to, and egress from the Easement Area, and the right at all times to enter in, over and upon the Easement Area and every part thereof to perform the actions stated above by the Grantee, its employees, its agents and its contractors with vehicles and equipment.

2. Grantor's Responsibilities. The Grantor and the Grantor's heirs, successors, and assigns shall not place or permit to be placed on the Easement Area any building, structure or other improvement, including but not limited to houses, garages, outbuildings, swimming pools, tennis courts, retaining walls, decks, and patios, nor allow to be done anything which may interfere with the full enjoyment by the Grantee of the rights herein granted.

3. Duration of Perpetual Easement. Grantee, its successors and assigns shall hold the Perpetual Easement forever, solely for the objects and purposes above stated and for no other object or purpose.

4. Grantee's Responsibilities. Grantee agrees that any pipe(s) installed within the Easement Area shall be constructed and maintained at a depth of at least eighteen (18) inches below the present surface of the ground. Grantee shall undertake, at Grantee's expense, all construction and installation work in the Easement Area in compliance with all applicable laws, rules, regulations, orders and requirements of any governmental authority or agency applicable to or affecting the Easement Area. At Grantee's expense, Grantee shall maintain, repair and replace all roadway, sidewalk, and related improvements that Grantee installs in the Easement Area. Grantee shall have the right, but not the obligation, to install trees, plants, shrubbery, groundcover and landscaping within the Easement Area; provided however, such right shall not impose upon Grantee any obligation to install, maintain, or improve any such landscaping.

5. Title and Lease Warranty. Grantor represents and warrants that to the best of Grantor's knowledge, Grantor is the sole fee owner of the Property, that Grantor is not under contract with any other party for the sale or other conveyance of the Property, that there are no oral or written leases in effect with respect to any portion of the Property, and that the Property is and will remain free and clear of all liens, encumbrances, and other title impediments of any nature, except those to which the Grantee has expressly agreed to in writing. Owner agrees to indemnify, defend with counsel approved by Grantee, hold harmless and reimburse Grantee and Grantee's elected and appointed officials, officers, representatives, agents and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, incurred as a result of the failure of any of Grantor's representations or warranties contained in this paragraph to be correct. The provisions of this Section 5 shall survive the close of escrow and recordation of this Agreement.

6. Waiver. Grantor, for itself, its heirs, successors and assigns, hereby waives any and all claims for damages which may accrue to the Property by reason of its severance from that portion subject to this Agreement. Grantor acknowledges for itself, its heirs, successors and assigns that it has been advised to seek advice of counsel on the issue of waiver of severance damages and has either done so or has chosen not to do so despite being given such advice. The Grantee assumes no liability with respect to the Property, or occurrences thereon, as a

consequence of the grant of easement contemplated hereby, unless and until the Grantee has formally accepted such grant via a Certificate of Acceptance.

GRANT OF EASEMENT AND RIGHT OF WAY

This Grant of Easement and Right of Way (this "**Agreement**") is made effective as of February 10, 2013 ("**Effective Date**") by and between Sonoma Land Acquisition Company, LLC, a California limited liability company ("**Grantor**") and the City of Rohnert Park, a municipal corporation ("**Grantee**").

Recitals

A. Grantor is the owner of that certain real property in the City of Rohnert Park, in the County of Sonoma, State of California, and identified as Assessor's Parcel No. 045-074-006 (the "**Property**").

B. Grantee is in the process of acquiring real property interests for the purpose, inter alia, of the construction of the Golf Course Drive West / Wilfred Avenue Widening Project, as provided for in the Joint Exercise of Powers Agreement by and between the Grantee, the County of Sonoma, and the Federated Indians of Graton Rancheria for the Implementation of Mitigation Measures for Widening Wilfred Avenue.

NOW THEREFORE, in consideration of the foregoing recitals and for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor and Grantee agree as follows:

1. Grant of Perpetual Easement. Grantor hereby grants and conveys to Grantee an exclusive, perpetual easement and right of way (the "**Perpetual Easement**") for public street and utility purposes, and for any and all public service facilities, including but not limited to electric, gas, telephone, cable, wires, fiber optics, water, storm drainage, sanitary sewer, etc., and all appurtenances thereto, including without limitation, sidewalks, curbs and gutters, with the right to enter upon the Easement Area (defined below) at any time for the installation, construction, removal, replacement, repair, use, operation, inspection, maintenance, or undertaking similar activities, as the Grantee may see fit, for use in connection therewith or appurtenant thereto, in, over, under, along and across that portion of Grantor's real property more particularly described in Exhibit A and depicted in Exhibit B, both attached hereto and incorporated herein by reference (the "**Easement Area**").

The Perpetual Easement includes the right of ingress to, and egress from the Easement Area, and the right at all times to enter in, over and upon the Easement Area and every part thereof to perform the actions stated above by the Grantee, its employees, its agents and its contractors with vehicles and equipment.

2. Grantor's Responsibilities. The Grantor and the Grantor's heirs, successors, and assigns shall not place or permit to be placed on the Easement Area any building, structure or other improvement, including but not limited to houses, garages, outbuildings, swimming pools, tennis courts, retaining walls, decks, and patios, nor allow to be done anything which may interfere with the full enjoyment by the Grantee of the rights herein granted.

3. Duration of Perpetual Easement. Grantee, its successors and assigns shall hold the Perpetual Easement forever, solely for the objects and purposes above stated and for no other object or purpose.

4. Grantee's Responsibilities. Grantee agrees that any pipe(s) installed within the Easement Area shall be constructed and maintained at a depth of at least eighteen (18) inches below the present surface of the ground. Grantee shall undertake, at Grantee's expense, all construction and installation work in the Easement Area in compliance with all applicable laws, rules, regulations, orders and requirements of any governmental authority or agency applicable to or affecting the Easement Area. At Grantee's expense, Grantee shall maintain, repair and replace all roadway, sidewalk, and related improvements that Grantee installs in the Easement Area. Grantee shall have the right, but not the obligation, to install trees, plants, shrubbery, groundcover and landscaping within the Easement Area; provided however, such right shall not impose upon Grantee any obligation to install, maintain, or improve any such landscaping.

5. Title and Lease Warranty. Grantor represents and warrants that to the best of Grantor's knowledge, Grantor is the sole fee owner of the Property, that Grantor is not under contract with any other party for the sale or other conveyance of the Property, that there are no oral or written leases in effect with respect to any portion of the Property, and that the Property is and will remain free and clear of all liens, encumbrances, and other title impediments of any nature, except those to which the Grantee has expressly agreed to in writing. Owner agrees to indemnify, defend with counsel approved by Grantee, hold harmless and reimburse Grantee and Grantee's elected and appointed officials, officers, representatives, agents and employees from and against any and all suits, damages, costs, fees, claims, demands, causes of action, losses, liabilities and expenses, including without limitation attorneys' fees, incurred as a result of the failure of any of Grantor's representations or warranties contained in this paragraph to be correct. The provisions of this Section 5 shall survive the close of escrow and recordation of this Agreement.

6. Waiver. Grantor, for itself, its heirs, successors and assigns, hereby waives any and all claims for damages which may accrue to the Property by reason of its severance from that portion subject to this Agreement. Grantor acknowledges for itself, its heirs, successors and assigns that it has been advised to seek advice of counsel on the issue of waiver of severance damages and has either done so or has chosen not to do so despite being given such advice. The Grantee assumes no liability with respect to the Property, or occurrences thereon, as a

consequence of the grant of easement contemplated hereby, unless and until the Grantee has formally accepted such grant via a Certificate of Acceptance.
