WHEREAS; the City of Rohnert Park has for many years disposed of its waste at the Central Disposal site operated by the County of Sonoma;

WHEREAS; the City of Rohnert Park and other cities within the County and the County of Sonoma have worked together over the past nine years to develop a solution to the long term solid waste issues in the County with the goal of maintaining an in county landfill;

WHEREAS, on December 8, 2009, the County formed a Solid Waste Advisory Group (SWAG) comprised of two members of the Board of Supervisors, and one City Council Member from each city in Sonoma County, to establish and open a transparent process and make recommendations on solid waste system planning and operations;

WHEREAS, on June 12, 2012, the Board of Supervisors accepted the SWAG's recommendations, and directed staff to proceed with required permitting to re-open the landfill and enter into negotiations with the current operators of the Central Landfill and Transfer Stations for a long-term operations agreement for the County solid waste facilities. The Board of Supervisors set the following basic goals and objectives for the negotiation:

- The County will enter into a long-term comprehensive operations agreement for the Central Landfill and Transfer Station properties it owns, with a private party.
- The private party will be responsible for development of the Central Landfill in accordance with permits issued by CalRecycle and the Regional Water Quality Control Board.
- The private party will develop such additional diversion facilities on the Central Landfill Property as may be requested by the County based upon policy recommendations of the Sonoma County-City Solid Waste Advisory Group.

WHEREAS, under the terms of the WASTE DELIVERY AGREEMENT, Republic agrees to indemnify and hold the City harmless from any liabilities associated with the Central Disposal Site with certain limited exceptions;

WHEREAS, in consideration of the City entering into the WASTE DELIVERY AGREEMENT, the County and Sonoma County Cities have negotiated a SETTLEMENT AGREEMENT resolving liabilities associated with the Central Disposal Site, the former Urban Landfills and former Rural Landfills which will not require the City to pay any additional consideration;

WHEREAS, the Cities desire to establish a Contingent Liability Fund to protect the City and its ratepayers from any remaining contingent liabilities and have negotiated an agreement to govern such fund as set forth in the COMMITTED CITIES CONTINGENT LIABILITY FUND AGREEMENT;

WHEREAS, in November 1998, the County of Sonoma, certified the Sonoma County Central Site Improvement Program Final Environmental Impact Report, State Clearing House Number 1995073068 ("Central Site FEIR") (Attachment E to the staff report), which analyzed potentially significant impacts related to the proposed site improvements for continued operation of the Central Disposal Site, incorporated necessary mitigation measures and adopted statements of overriding consideration with respect to significant environmental impacts related to the operation and future expansion of the Central Disposal Site. On June 12, 2012, the County considered and approved an Addendum to the Central Site FEIR (Attachment F to the staff report), looking at the impacts of reopening the Central Disposal Site, to which a revised addendum was approved April 23, 2013, ("Reopening Addendum") (Attachment G to the staff report) and found that no further environmental review was required under CEQA. In reliance upon the Central Site FEIR and the Reopening Addendum, the County Board of Supervisors approved the Agreement for Operation of the Central Landfill and County Transfer Stations on April 23, 2013. In its consideration of entering into the proposed WASTE DELIVERY AGREEMENT for utilization of the Central Disposal Site, the City is a responsible agency under CEQA. City staff have reviewed the Central Site FEIR and the Reopening Addendum and have determined that the WASTE DELIVERY AGREEMENT falls within the scope of the analysis contained in the Central Site FEIR and Reopening Addendum. Further, staff has determined that the analysis in those environmental documents has adequately reviewed any potentially significant impacts associated with the proposed activities in the WASTE DELIVERY AGREEMENT, and that with the mitigation measures adopted by the County will not have significant environmental impacts other than those for the County adopted statements of overriding consideration; and

WHEREAS, staff has determined that the CENTRAL DISPOSAL SITE AND FORMER LANDFILLS SETTLEMENT AGREEMENT and the COMMITTED CITIES CONTINGENT FUND are exempt from CEQA review in that staff finds that it can be seen with certainty that there is no possibility that the execution of these agreements could have a significant effect on the environment.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Rohnert Park that it does hereby approve and authorize the City Manager to execute the CENTRAL DISPOSAL SITE AND FORMER LANDFILLS SETTLEMENT AGREEMENT with the County of Sonoma, attached hereto in substantially the same form as Exhibit A, subject to approval as to form by the City Attorney.

BE IT FURTHER RESOLVED that the City Manager is hereby authorized and directed to execute documents pertaining to same for and on behalf of the City of Rohnert Park.

BE IT FURTHER RESOLVED that the City Council hereby finds that the Central Site FEIR and Reopening Addendum adequately analyzed all potentially significant impacts associated with the WASTE DELIVERY AGREEMENT, and further finds that all potentially significant environmental impacts will be mitigated to less than significant with the adoption and implementation of the mitigation measures adopted by, and which are within the jurisdiction of, the County as part of the Central Site Improvement Project, excepting those impacts for which the County adopted statements of overriding consideration, and to the extent that the approval of the WASTE DELIVERY AGREEMENT will contribute to the unmitigated environmental impacts identified by the County, the Council hereby concurs with and adopts the statements of overriding consideration adopted by the County in connection with the Central Site Improvement Project.

BE IT FURTHER RESOLVED that the Council of the City of Rohnert Park approves and authorizes the City Manager to execute the WASTE DELIVERY AGREEMENT with Republic Services of Sonoma County, attached hereto in substantially the same form as Exhibit B, subject to approval as to form by the City Attorney.

**CENTRAL DISPOSAL SITE AND FORMER LANDFILLS
SETTLEMENT AGREEMENT
BETWEEN
THE COUNTY OF SONOMA

AND

THE COMMITTED CITIES**

The County of Sonoma (the "County") and the Committed Cities (as defined below) (collectively, the "Parties" and individually any "Party") enter into this Central Disposal Site and Former Landfills Settlement Agreement (hereinafter "Settlement Agreement"), which shall be effective only if all of the conditions precedent set forth in Section 10.1 below are met.

1.0 RECITALS

Historically, waste throughout the County was disposed of at the Central Disposal Site (as defined below) and one or more of the Former Landfills (as defined below). Environmental liabilities exist for both the Central Disposal Site and the Former Landfills. The County has informed the cities that, if this Settlement Agreement does not become effective, it intends to pursue the cities, including, if necessary, through litigation, for their share of the costs to address the environmental liabilities associated with the Central Disposal Site and the Former Landfills. The Cities dispute their individual exposures for these environmental liabilities and believe that the County is responsible for such liabilities as the owner and operator of the Central Disposal Site and the Former Landfills. Notwithstanding the foregoing, the Committed Cities are entering into this Settlement Agreement to resolve their disputes with the County and avoid the significant time and expense associated with resolving their disputes through litigation.

The County entered into that certain long term operations agreement for the Central Disposal Site through execution of a Master Operations Agreement with Republic Services of Sonoma County ("Republic") on April 23, 2013. The effectiveness of the Master Operations Agreement is contingent upon several conditions precedent. A condition to the effectiveness of the Master Operations Agreement is that there will be a minimum number of Cities that commit their waste to Republic to be received and processed at the County Facilities (as defined below) for a 25 year period. A fundamental premise of this Settlement Agreement is that the Parties will send their waste to the County Facilities in accordance with their respective Waste Delivery Agreements (as defined below).

In exchange for the waste commitment and other obligations under this Settlement Agreement, the Committed Cities will receive a full release and indemnity from Republic for all environmental liabilities associated with the Central Disposal Site in perpetuity, with the exception of liabilities associated with other operators at the Central Disposal Site who are not under the control of, or in contract with, Republic (e.g., compost facility and household hazardous waste facility). The County is not granting the Committed Cities a release nor indemnifying the Committed Cities for any liabilities associated with the Central Disposal Site.

In addition, in exchange for the County granting Republic an exclusive right to operate the County Facilities, Republic is required to pay County Base Concession Payments (as defined below) for all waste sent to the County Facilities. Through execution of this Settlement Agreement, the County is agreeing to apply all Base Concession Payments to fund the environmental liabilities associated with the Former Urban Landfills (as defined below) and the expected Baseline Administrative Costs (as defined below). Besides the funds attributable to the Base Concession Payments, this Settlement Agreement also includes the payment to the County of a Committed Cities Contingent Liability Fund (as defined below) on all Committed City Waste and sets aside four other funds for the benefit of the County and Committed Cities to cover the environmental liabilities associated with the Former Urban Landfills. The four other funds include the CDS Leak Fund (as defined below), the County Contingent Liability Reserve Fund (as defined below), the Healdsburg Leak Fund (as defined below) and the Sonoma Leak Fund (as defined below). In addition, for purposes of this Settlement Agreement, as between the County and the Committed Cities, the County is agreeing to accept all responsibility for the Former Rural Landfills (as defined below) and is granting the Committed Cities a full release for the Former Rural Landfills.

The County believes that the execution of this Settlement Agreement allows the Parties to achieve a host of other benefits in addition to providing a funding mechanism for the on-going maintenance of the Former Urban Landfills and transferring the environmental liabilities for the Central Disposal Site to Republic. Such benefits include: (i) maintaining an in-County landfill and, therefore, reducing greenhouse gas emissions associated with waste disposal by avoiding unnecessary transportation of waste outside the County; (ii) construction of a materials recovery facility (MRF) at the Central Disposal Site to process and divert recyclable materials from commercial waste and construction and demolition debris waste which will also extend the capacity of the Central Disposal Site; and (iii) ensuring stable and predictable disposal rates and capacity rights for a minimum of 25 years.

As set forth in Section 10.1 below, in the event that the County and some Committed Cities execute this Settlement Agreement, but not enough Committed Cities commit their waste to Republic under the Master Operations Agreement, this Settlement Agreement shall be of no effect.

NOW THEREFORE, the Parties agree as follows:

3.0 COUNTY COMMITMENTS

3.1 NON-COMMITTED CITIES

The County, for the benefit of the County and the Committed Cities, agrees to use reasonable efforts to reach a separate settlement agreement with each City that does not enter into a Waste Delivery Agreement and this Settlement Agreement, to ensure that each such City pays its respective share of environmental liabilities for the Central Disposal Site, Former Urban Landfills and County Administrative Costs. Any Excess Settlement Funds shall be deposited into the Former Urban Landfills Fund and County Administrative Costs Fund in accordance with the allocation set forth in Section 6.

3.2 FORMER RURAL LANDFILLS

For purposes of this Settlement Agreement, as between the County and the Committed Cities, the County agrees to (a) indemnify, release, defend and hold the Committed Cities harmless from any and all damages, fees, costs, claims and liability of any sort arising out of the Former Rural Landfills, (b) accept all responsibility for the Former Rural Landfills, and (c) not apply any of the Base Concession Payments to maintenance, monitoring or remediation costs of the Former Rural Landfills. The County agrees to pay for the maintenance, monitoring, and remediation costs of the Former Rural Landfills through use of County general fund monies.

3.3 COUNTY REPRESENTATIONS

County represents to the Committed Cities that as of the Effective Date there are no Known claims pending or threatened against the County related to ownership, operation or use of the Central Disposal Site or any of the Former Urban Landfills arising out of, based on or resulting from the presence or release of, or exposure to, any Hazardous Substance. For purposes of this representation, the term “Known” means the actual knowledge after reasonable due inquiry of the County employees listed on Exhibit D.

4.0 FORMER URBAN LANDFILLS LIABILITY

4.1 FUNDING FOR FORMER URBAN LANDFILLS

(a) FORMER URBAN LANDFILLS FUND

It is anticipated that the Former Urban Landfills Fund will be sufficient to cover the Post-Closure Obligations For The Former Urban Landfills so long as there are no Unexpected Events. Provided there are no Unexpected Events, the County accepts all responsibility for the Post-Closure Obligations For The Former Urban Landfills for 30 years following the Effective Date.

(b) UNEXPECTED EVENTS

If an Unexpected Event impacts the former Sonoma landfill, the County shall use the Sonoma Leak Fund to address the Unexpected Event. If an Unexpected Event impacts the former Healdsburg landfill, the County shall use the Healdsburg Leak Fund to address the Unexpected Event. Notwithstanding the foregoing, should the Committed Cities unanimously decide to apply the Sonoma Leak Fund or Healdsburg Leak Fund to one of the other Former Urban Landfills, they shall provide County with written notice of such intent, and County shall apply such funds as directed by the Committed Cities.

(c) EXHAUSTION OF FUNDS

Upon the occurrence of an Unexpected Event, and subject to Section 4.1(b) the County shall use the applicable Leak Funds and the Former Urban Landfills Fund to address the Unexpected Event. If the Unexpected Event is not resolved upon the exhaustion of the Leak Funds and the Former Urban Landfills Fund, the mutual covenants not to sue as provided below in Section 7.2 shall expire. County shall provide written notice to the Committed Cities within fourteen (14) days after the date of said exhaustion, along with a detailed accounting of the use of the funds specified above and explanation of why and when said funds were exhausted.

(d) GOOD FAITH MEETING PRIOR TO LITIGATION

In the event of an occurrence of an Unexpected Event, the County and the Cities agree to meet in good faith within thirty (30) days of a notice under subsection (c) and prior to instituting any litigation against the other party for purposes to determine if a resolution of the issue can be agreed upon.

5.0 COLLECTION OF COUNTY ADMINISTRATIVE COSTS

5.1 FUNDING FOR COUNTY ADMINISTRATIVE COSTS

(a) COUNTY ADMINISTRATIVE COSTS FUND

It is anticipated that the County Administrative Costs Fund will be sufficient to cover the Baseline Administrative Costs. On or before September 30, 2015, and every year thereafter, the County shall provide the Committed Cities with a financial accounting of actual County Administrative Costs incurred during the previous one year period. If actual expenses exceed the initial estimate set forth in Exhibit A and require that more Base Concession Payments be allocated to the

County Administrative Costs Fund (to the extent funds are available), then, in accordance with Section 6.4, the County shall provide the Committed Cities with notice of the County's intention to implement such adjustment along with documentation identifying where costs were exceeded and said adjustment may occur only after the procedures set forth in Section 6.4 have been followed and the County has met its burden of proof as set forth in Section 6.4. If the actual expenses incurred by the County in a period covered by the annual financial account were less than 80% of the amount allocated to the County Administrative Costs Fund for the same period, then the County shall transfer any excess amounts to the Former Urban Landfills Fund, after leaving a 20% contingency amount in the County Administrative Costs Fund to roll over into the next annual period.

(b) **DISPUTE RESOLUTION AND BURDEN OF PROOF**

Any dispute concerning payments for County Administrative Costs shall be subject to Dispute Resolution. In any dispute, the County shall provide reasonable documentation to show that such payments were reasonably necessary and made, or incurred, in accordance with Prudent Solid Waste Practices.

6.0 PAYMENTS AND MONIES DISTRIBUTION

6.1 COUNTY BASE CONCESSION PAYMENTS

(a) **PAYMENT FLUCTUATION**

The Base Concession Payments will fluctuate over the term of this Settlement Agreement based on actual tons delivered to the County Facilities. The Base Concession Payments formula is set forth in Exhibit A. The County agrees to waive its rights to collect Base Concession Payments from Republic on Committed City Waste delivered to the County Facilities during the 5-year period commencing the first day of year 21 of the Waste Delivery Agreements and ending the last day of year 25 of the Waste Delivery Agreements except as may be required to cover Baseline Administrative Costs for the final five years of the Master Operations Agreement. Starting in year 21, the Base Concession Payments on Committed City Waste shall be set by calculating the average annual Baseline Administrative Costs for the previous 5 years.

(b) **ALLOCATION**

The County, for the benefit of the County and each Committed City, shall allocate the Base Concession Payments as set forth in this Section 6 (which includes subsections 6.1 through 6.5).

6.2 FORMER URBAN LANDFILLS FUND

The County shall initially allocate 70% of the Base Concession Payments to the Former Urban Landfills Fund. Consistent with the requirements of this

Settlement Agreement, the County shall use the Former Urban Landfills Fund to cover the Parties' obligations for Former Urban Landfills Liability.

6.3 COUNTY ADMINISTRATIVE COSTS FUND

The County shall initially allocate 30% of the Base Concession Payments to the County Administrative Costs Fund.

6.4 ADJUSTMENT OF BASE CONCESSION PAYMENTS PERCENTAGES

(a) COUNTY ADJUSTMENTS

The County shall be entitled to adjust the percentage of the Base Concession Payments allocated to the Former Urban Landfills Fund and/or the County Administrative Costs Fund. Before any adjustment, the County and the Committed Cities shall discuss the change in allocation. The County shall consider any concerns or issues raised by any Committed City prior to proceeding with the allocation adjustment. Any dispute as to the County's allocation adjustment shall be subject to Dispute Resolution. The County shall have the burden of showing any adjustment is reasonable in light of Prudent Solid Waste Practices and is otherwise consistent with the terms of this Settlement Agreement.

6.5 FUND TRACKING; ACCOUNTING AND DISBURSEMENTS

(a) TRACKING

The County shall provide for the Former Urban Landfills Fund, the County Administrative Costs Fund, the Cities Contingent Liability Fund, and the Base Concession Payment Fund no later than 30 days after the Effective Date of this Settlement Agreement.

(b) ACCOUNTING

On or before September 30th of each year beginning in 2015, the County shall provide each Committed City with an annual accounting of the Former Urban Landfills Fund, the County Administrative Costs Fund, the Committed Cities Contingent Liability Fund and the Base Concession Payment Fund, including a breakdown of each Committed City's contribution to the Former Urban Landfills Fund, the County Administrative Costs Fund, the Cities Contingent Liability Fund and the Base Concession Payment Fund based on the Committed City's delivery of Waste to the County Facilities. Such accounting shall include a report of all interest earned on each of the specified funds.

(c) DISBURSEMENTS

County shall have the right to draw funds from the Former Urban Landfills Fund, the County Administrative Costs Fund and the Base Concession Payment Fund in

order to pay for County Administrative Costs and the Former Urban Landfills Liability; provided same is done in compliance with this Settlement Agreement.

6.6 USE OF COUNTY CONTINGENT LIABILITY RESERVE FUND

During the term of this Agreement, the County shall retain the County Contingent Liability Reserve Fund in a separate account to be available to the County to: (i) fund Unexpected Events at the Former Urban Landfills; and/or (ii) be used in connection with unfunded liabilities at the CDS in the event of a Default by Republic.

6.7 USE OF COMMITTED CITIES CONTINGENT LIABILITY FUND

The Committed Cities Contingent Liability Fund will fluctuate over the term of this Settlement Agreement based on actual tons delivered to the County Facilities. The Committed Cities Contingent Liability Fund is subject to the following terms and conditions:

- (a) Use of the Committed Cities Contingent Liability Fund is limited to: (i) addressing landfill liabilities (Central Disposal Site and/or The Former Urban Landfills); and/or (ii) paying for other expenditures that benefit solid waste ratepayers;
- (b) The special concession payment that funds the Committed Cities Contingent Liability Fund shall initially be set at \$5/ton and shall be adjusted by the change in the rates for the Contractor. In addition, said rate may be changed by the Committed Cities in accordance with the terms and conditions of Exhibit C;
- (c) The Committed Cities must give County notice at least 90 days in advance of the Adjustment Date of any change to the amount of the surcharge;
- (d) Committed Cities shall defend and indemnify the County against any challenge brought related to the special concession payment that funds the Committed Cities Contingent Liability Fund. In the event that any challenge is also brought against the collection of any other concession fees collected by the County, any defense and indemnity shall be prorated on equitable principles. The Committed Cities shall have the sole right to: (i) select counsel to provide such defense; (ii) direct such defense; and (iii) determine the terms to resolve all claims. The County shall cooperate fully with the Committed Cities, including timely complying with all reasonable requests by the Committed Cities with respect to such defense; and
- (e) There shall be no disbursement of funds in the Committed Cities Contingent Liability Fund without approval of the Committed Cities in accordance with the terms and condition of Exhibit C.

7.0 INDEMNITY, RELEASE AND COVENANT NOT TO SUE BETWEEN THE COUNTY, REPUBLIC AND THE COMMITTED CITIES

7.1 INDEMNITY AND RELEASE FOR CENTRAL DISPOSAL SITE

(a) REPUBLIC INDEMNITY AND RELEASE

As set forth in the Waste Delivery Agreements, each Committed City shall receive an unconditional and full indemnity and release from Republic for all environmental liabilities associated with the Central Disposal Site; with the exception that Republic shall not indemnify the Committed Cities for liabilities associated with operators other than Republic (e.g., compost facility and household hazardous waste facility) at CDS. Notwithstanding the foregoing, the nature, extent and scope of Republic's release and indemnification shall be governed by the relevant terms in the Waste Delivery Agreements. In no event shall the County be liable or responsible for, or otherwise guarantee, Republic's compliance with the Waste Delivery Agreements, including Republic's indemnification obligations, release and covenant not to sue. Notwithstanding the foregoing, County shall pursue to conclusion all its rights and remedies against Republic, its parent corporation and sureties under the Master Operations Agreement, and pursue the Non-Committed Cities, before pursuing any Committed City for any liability associated with the CDS. The County is not providing any form of release or indemnification to the Committed Cities for any liability associated with the CDS.

(b) COUNTY COVENANT NOT TO SUE

The County covenants not to sue in perpetuity the Committed Cities for any and all environmental liabilities associated with the Central Disposal Site except (1) for environmental liabilities excluded from Republic's assumed liabilities under the Master Operations Agreement (e.g., environmental liabilities associated with operators other than Republic (e.g., compost facility and the household hazardous waste facility)) at the Central Disposal Site; (2) where there is a material breach by Republic of the Master Operations Agreement which results in Republic's failure to carry out its closure, post closure, remediation and/or indemnity obligations at the Central Disposal Site; and/or (3) when a Committed City is in material default of its Waste Delivery Agreement, in which case and at which time the County's covenant not to sue shall expire as to the Committed City only.

(c) COMMITTED CITIES COVENANT NOT TO SUE

The Committed Cities covenant not to sue in perpetuity the County for any and all environmental liabilities associated with the Central Disposal Site except (1) for environmental liabilities associated with other operators (e.g., compost facility and the household hazardous waste facility) at the Central Disposal Site; (2) where there is a material breach by Republic of the Master Operations Agreement which results in Republic's failure to carry out its closure, post-closure,

remediation and/or indemnity obligations at the Central Disposal Site; (3) when the County is in material default of the Master Operations Agreement; and/or (4) in the event that the County brings an action against a Committed City or Committed Cities pertaining to the Central Disposal Site.

7.2 COVENANT NOT TO SUE FOR FORMER URBAN LANDFILLS

(a) COUNTY COVENANT NOT TO SUE

The County covenants not to sue the Committed Cities for the thirty (30) years following the Effective Date for any and all environmental liabilities associated with the Former Urban Landfills except for any and all environmental liabilities associated with an Unexpected Event. Upon the occurrence of an Unexpected Event, the County shall exhaust all applicable Leak Funds and the Former Urban Landfills Fund to address the Unexpected Event, prior to initiating any lawsuit against the Committed Cities for any environmental liabilities associated with the Former Urban Landfills. If any such lawsuit is initiated against the Committed Cities, the County shall additionally name the Non-Committed Cities as co-defendants. Notwithstanding the foregoing, to the extent the Unexpected Event is caused by an alleged breach by Republic under the Master Operations Agreement, County shall pursue to conclusion any and all remedies against Republic before pursuing any Committed City for any liability associated with the Former Urban Landfills, including without limitation, suing Republic and its parent guarantor.

(b) COMMITTED CITIES COVENANT NOT TO SUE

The Committed Cities covenant not to sue the County for the thirty (30) years following the Effective Date for any and all environmental liabilities associated with the Former Urban Landfills except in the event that (a) the County sues the Committed Cities for any and all environmental liabilities associated with an Unexpected Event; and/or (b) the County breaches this Agreement.

7.3 COUNTY DEFENSE OF COMMITTED CITY

The County shall pay for the common defense of the Committed Cities in the event a Non-Committed City asserts a claim against any such Committed City as a result of the County pursuing any Non-Committed City for environmental liabilities for the Former Urban Landfills. The County shall have the sole right to (i) select counsel to provide such defense; (ii) direct such defense; and (iii) determine the terms to resolve all claims. Any Committed City entitled to the defense provided in this Section 7.3 of this Settlement Agreement, shall cooperate fully with the County, including timely complying with all reasonable requests by the County with respect to such defense. The Parties agree that the Committed Cities and the County through this Agreement, the Master Operations Agreement

and the Waste Delivery Agreements will be making a fair and reasonable contribution to the Post-Closure Obligations for the Former Urban Landfills. The Committed Cities hereby understand and acknowledge that: (a) pursuant to Section 14.4 of the Master Operations Agreement, County has assigned to Republic the Assigned Environmental Claims (as defined in the Master Operations Agreement) associated with the Central Disposal Site; and (b) pursuant to Section 15.1(h) of the Master Operations Agreement, Republic is obligated to defend and indemnify the Committed Cities and the County for any claim asserted by a Third Party as a result of, related to or arising from Republic's actions to pursue an entity for any Assigned Environmental Claim (as defined in the Master Operations Agreement).

7.4 RELEASE OF COMMITTED CITIES FOR FORMER RURAL LANDFILLS

The County shall release the Committed Cities from all liabilities for the Former Rural Landfills. Without limiting the generality of the foregoing:

COUNTY DOES HEREBY RELEASE, HOLD HARMLESS AND FOREVER DISCHARGE THE COMMITTED CITIES AND EACH OF THEM FROM ANY AND ALL LOSSES, IN EACH CASE, OF ANY KIND OR CHARACTER, WHETHER KNOWN OR UNKNOWN, HIDDEN OR CONCEALED, TO THE PERSON OR PROPERTY OF COUNTY, ITS SUCCESSORS AND ASSIGNS, RESULTING FROM OR ARISING OUT OF (1) THE PAST, PRESENT, CONTINUED AND FUTURE SCREENING, ACCEPTANCE, DISPOSAL, TREATMENT, SORTING, HANDLING AND PROCESSING OF WASTE, HAZARDOUS SUBSTANCES OR OTHER MATERIAL AT OR IN THE FORMER RURAL LANDFILLS; (2) THE DISPOSAL OF WASTE COMING FROM THE COMMITTED CITIES TO THE FORMER RURAL LANDFILLS; (3) ANY CLOSURE AND POST-CLOSURE OBLIGATIONS RELATING TO THE FORMER RURAL LANDFILLS; (4) ANY ENVIRONMENTAL CONDITION OR REMEDIATION RELATING TO THE FORMER RURAL LANDFILLS; OR (5) THE OWNERSHIP, OPERATION, MAINTENANCE, REMEDIATION, CLOSURE AND/OR POST-CLOSURE OF THE FORMER RURAL LANDFILLS. COUNTY HEREBY WAIVES ANY AND ALL RIGHTS AND BENEFITS THAT IT NOW HAS, OR IN THE FUTURE MAY HAVE CONFERRED UPON IT BY VIRTUE OF THE PROVISIONS OF SECTION 1542 OF THE CIVIL CODE OF THE STATE OF CALIFORNIA (OR ANY OTHER STATUTE OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT), WHICH PROVIDES AS FOLLOWS:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

IN THIS CONNECTION, COUNTY HEREBY AGREES, REPRESENTS, AND WARRANTS THAT IT REALIZES AND ACKNOWLEDGES THAT FACTUAL MATTERS NOW UNKNOWN TO IT MAY HAVE GIVEN OR MAY HEREAFTER GIVE RISE TO CLAIMS THAT ARE PRESENTLY UNKNOWN, UNANTICIPATED AND UNSUSPECTED, AND IT FURTHER AGREES, REPRESENTS, AND WARRANTS THAT THIS RELEASE HAS BEEN NEGOTIATED AND AGREED UPON IN LIGHT OF THAT REALIZATION AND IT NEVERTHELESS HEREBY INTENDS TO RELEASE THE COMMITTED CITIES FROM THE LOSSES AND MATTERS DESCRIBED IN THIS SECTION.

NOTWITHSTANDING THE PROVISIONS OF THIS SECTION, THIS RELEASE SHALL NOT RELEASE THE COMMITTED CITIES FROM ANY OBLIGATIONS THEY MAY HAVE UNDER THIS AGREEMENT.

County's Initials_____

Notwithstanding the foregoing, the release set forth herein shall not preclude County from pursuing, and County hereby expressly reserves its right to pursue, all Third Parties (which expressly exclude any entity released hereby) for any matter covered by the release set forth in this Section.

8.0 DEFAULT BY REPUBLIC

8.1 CIRCUMSTANCES AND NOTIFICATION

In the event there has been a Default by Republic under the Master Operations Agreement, the County shall provide written notification as set forth in Section 10.12 below to each Committed City within fifteen (15) business days after the County determines that there has been a Default by Republic. As set forth in Article 7 above, and pursuant to the terms and conditions set forth in Article 7, the County shall pursue its remedies against Republic, its parent guarantor and sureties under the Master Operations Agreement before pursuing any Committed City for unfunded liabilities, unless a Committed City is in material default of its Waste Delivery Agreement.

8.2 AUTOMATIC TOLLING PROVISIONS

Upon notice to each Committed City of a Default by Republic, the Parties hereby agree to the automatic tolling of any and all Federal, State, legal and equitable claims of any sort concerning the matters described in this Settlement Agreement until such time as the County concludes pursuing its remedies against Republic, the parent guarantor and its sureties.

9.0 OTHER CONSIDERATIONS

9.1 COMMITTED CITIES ACCESS TO COUNTY TRANSFER STATIONS AFTER EXPIRATION OF WASTE DELIVERY AGREEMENTS

Upon the expiration of the Waste Delivery Agreements, the County agrees to allow any of the Committed Cities to deliver their Waste to those County Facilities that Republic returns back to the County in exchange for the Committed City paying the same rate charged self-haul customers for the processing of such Waste and subject to the County having capacity for such Waste after granting first priority to Waste delivered from the unincorporated County.

9.2 COORDINATION OF EFFORTS

The Parties understand and acknowledge that actions taken by the Sonoma County Waste Management Agency could negatively or positively impact the benefits derived by, or obligations imposed upon, the Parties under this Settlement Agreement, the Waste Delivery Agreements and/or the Master Operations Agreement. Therefore, the Committed Cities and the County mutually agree to ensure that their respective representative to the Sonoma County Waste Management Agency is:

- (a) fully aware of the benefits and obligations under the Master Operations Agreement, this Settlement Agreement and the Waste Delivery Agreements; and
- (b) directed not to take any actions that could materially impact the Parties benefits or obligations under the Master Operations Agreement, the Waste Delivery Agreements or this Settlement Agreement without first seeking approval of the Party's appointing authority.

9.3 PARTIES OBLIGATIONS AT THE END OF YEAR 19

At the end of the 19th year of the Waste Delivery Agreements, and every 10 years thereafter, the parties shall meet and confer in good faith to assess the on-going post closure maintenance costs of the Former Urban Landfills. In the event the Parties fail to agree upon the appropriate amount of funding to disburse, retain or collect in connection with the on-going Post Closure Obligations For The Former Urban Landfills, the Parties shall retain a mutually agreeable third party consultant to provide a recommendation on the scope of Post Closure. The Committed Cities shall provide the County with a list of potential third party consultants satisfactory to the Committed Cities and the County shall select the actual third party consultant from that list. The consultant's assessment shall also include a cost estimate for the scope of Post Closure for each of The Former Urban Landfills. If the Parties are unable to agree on what to do with the Former Urban Landfills Fund, the County shall continue to retain and have access to the Former Urban Landfills Fund. In the event the County receives a closure letter or similar commitment from the government agency with oversight for the remediation and closure of one or more of the Former Urban Landfills which provides a basis for the Parties to conclude that not all of the remaining Former Urban Landfills Fund or applicable Leak Funds are required to meet potential

future regulatory costs, then all or a portion of the Former Urban Landfills Fund shall be distributed to the Parties based on their respective percentage contributions into the Former Urban Landfills Fund. Any dispute as to whether there should be a distribution is subject to Section 10.3 Dispute Resolution with the understanding that the scope of the arbitrator's responsibility is limited only to this issue and not to any liability determination.

10.0 MISCELLANEOUS PROVISIONS

10.1 CONDITION PRECEDENTS TO EFFECTIVENESS OF THIS AGREEMENT

The Effective Date of this Settlement Agreement shall not occur until the following conditions have been met:

A. Waste Flow Commitments.

All of the Committed Cities listed below shall have entered into Waste Delivery Agreements with Republic for a minimum period of 25 years. The Committed Cities that must enter into such Waste Delivery Agreements to satisfy this condition are: Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol, Sonoma and the Town of Windsor.

B. Central Disposal Site and Central Disposal Site Expansion Permits.

County shall have received a solid waste facilities permit, waste discharge requirements, NPDES permit, and leachate disposal permit from the Santa Rosa Subregional Water Treatment Plant, agreement from Cotati for use of its sewer line and all other permits required for the operation of the Central Disposal Site and the construction and operation of an additional 9 million cubic yards of new disposal capacity at the Central Disposal Site. The parties acknowledge that Rohnert Park has provided notice to the County of termination of the existing sewer agreement effective December 6, 2015. The County is currently negotiating with the City of Cotati for access to Cotati's sewer line for conveying leachate from the pipeline to the Water Treatment Plant.

C. Delivery of Republic's Financial Security Instruments to County.

Republic shall have delivered to County its proof of insurance, bond, letters of credit and signed and duly authorized parent company corporate guaranty.

D. City Execution of Settlement Agreement

Each Committed City shall have duly executed this Settlement Agreement.

E. Amendment of the Master Operations Agreement

County and Republic shall enter into an amendment to the Master Operations Agreement to provide for: (1) the additional 5 year waste commitment term; (2) the collection of the Committed Cities Contingent Liability Fund; and (3) use of the Transfer Stations by the Committed Cities at fair market rates following the expiration of the 25 year waste commitment term.

F. City Execution of Committed Cities Contingent Fund Agreement

Each Committed City shall have duly executed the Committed Cities Contingent Fund Agreement.

10.2 AUTHORITY TO ENTER INTO SETTLEMENT AGREEMENT

By executing this Settlement Agreement, each Party represents that its respective signatories to this Settlement Agreement are fully authorized to enter into this Settlement Agreement on the Party's behalf and to legally bind the Party to this Settlement Agreement.

10.3 DISPUTE RESOLUTION

(a) Binding Arbitration

Except as otherwise specifically provided for in this Settlement Agreement, any dispute between the Parties or between the County and any Committed City shall be resolved by binding arbitration in accordance with California Code of Civil Procedure Section 1280 et. seq. (the "Act").

(b) Written Notice

A request pursuant to this Section 10.3 of this Settlement Agreement shall be pursuant to written notice as set forth in Section 10.12 of this Settlement Agreement.

(c) Proceedings

Arbitration proceedings will be determined in accordance with the Act, the then-current JAMS Streamlined Arbitration Rules, and the terms of this Section 10.3 of this Settlement Agreement.

(d) Arbitration Location and Arbitrator Qualifications

The Parties involved in the dispute shall seek to agree on a mutually acceptable provider organization for administration of the arbitration proceeding. If the parties are unable to agree within 20 days after delivery by a Party of the written notice requesting arbitration, the arbitration shall be administered by JAMS and conducted in Sonoma County, California. If JAMS is unwilling or unable to (i)

serve as the provider of arbitration or (ii) enforce any provision of this arbitration clause, the County may designate another arbitration organization with similar procedures to serve as the provider of arbitration.

All claims shall be determined by one arbitrator. The arbitrator shall have at least 5 years direct experience with environmental remediation at solid waste facilities and shall be independent of, and unaffiliated with, each Party (and shall not ever have been an employee of any Party, under contract with any Party in the past 5 years or acted as an arbitrator for any Party within the past 5 years). If the Parties are unable to select an arbitrator within 20 days after the provider organization for administration of the arbitration proceeding has been determined, the organization administering the arbitration shall select a qualified arbitrator from its panel.

(e) Hearings

The arbitration hearings shall commence within 90 days of the demand for arbitration and close within 45 days of commencement and, the decision of the arbitrator shall be issued within 45 days of the close of the hearing. The Parties shall have the right to such discovery as permitted by California Code of Civil Procedure §1283.05. The arbitrator shall provide a concise written statement of the reasons for the decision. The arbitration decision may be submitted to any court having jurisdiction to be confirmed and have judgment entered and enforced.

(f) No Right to Jury Trial

By agreeing to binding arbitration, the Parties irrevocably and voluntarily waive any right they may have to a trial by jury as permitted by Law in respect of any claim; provided, however, with respect to any dispute arising from events which, in either Party's reasonable judgment, create an emergency condition or other condition which if not immediately resolved will substantially and adversely affect the rights and/or interests of one Party or the other and, as such, requires immediate and decisive action by one or both of the Parties for its resolution, then either the Committed City or County may take such action, including filing court actions, as either of them deems reasonably necessary to preserve such Party's rights under this Settlement Agreement, without first subjecting such dispute to arbitration under this Section 10.3. During the pendency of any arbitration proceeding, the time for (a) performance of any obligation, (b) exercise of any right, and (c) cure of any default, arising under or by virtue of this Settlement Agreement, which is the subject of or directly relates to the matter being arbitrated in such proceeding, shall be tolled, and extended for a period equal to the amount of time consumed by the arbitration process, and ending ten (10) business days after the rendering of the written final decision in the arbitration proceeding as to such matter. **WHETHER OR NOT THE CLAIM IS DECIDED BY ARBITRATION, THE PARTIES AGREE AND UNDERSTAND THAT THE EFFECT OF THIS SETTLEMENT**

AGREEMENT IS THAT THEY ARE GIVING UP THE RIGHT TO TRIAL BY JURY TO THE EXTENT PERMITTED BY LAW.

(g) **Arbitration Costs and Award**

Any of the sides involved in the arbitration shall evenly split the cost of any arbitration under this Section 10.3 of the Settlement Agreement. Any monetary award to any party to an arbitration proceeding shall, as appropriate, include interest owed on amounts due, with interest charged at a rate equal to the then current interest rate earned by the County Treasury investment pool plus 200 basis points.

NOTES:

- The above rates would be the initial rates starting in 2014. The rates in the above table would all be adjusted annually by the same inflation adjustment factor applicable to the Contractor Service Fee, as described in Section 11.4 A of the MOA.
- The Base Concession Payment would start at \$9.25 for the initial operating year and then be adjusted annually based on changes in total tonnage delivered during the previous 12 months.
- The Special Concession Payment on Committed City Waste would start at \$5.00 for the initial operating year and be adjusted annually by the same inflation adjustment factor applicable to the Contractor Service Fee, as described in Section 11.4 A of the MOA. In addition, the Committed Cities may make other adjustments to the Special Concession Payment on Committed City Waste in the Committed Cities' discretion as further set forth in Exhibit C. County shall implement said adjustments to the Special Concession Payment on Committed City Waste, (to take effect on an Adjustment Date), by providing Contractor with written notice at least 60 days prior to the Adjustment Date.
- The Special Concession Payment on Committed County Waste and Self Haul Waste (Column B) would start at \$1.00 for the initial operating year and then be adjusted annually by the same inflation adjustment factor applicable to the Contractor Service Fee, as described in Section 11.4 A of the MOA. In addition, County may make other adjustments to the Special Concession Payment on Committed County Waste, to take effect on an Adjustment Date, by providing Contractor with written notice at least 60 days prior to the Adjustment Date.
- Both the Base Concession Payment (Column A) and the Special Concession Payment (Column B) will be charged on all Committed City Waste during the term of the Waste Delivery Agreements, provided,

however, that County agrees to waive the then current Base Concession Payment for the Contractor and all Committed Cities on Committed City Waste during the last 5 years of the 25 year term of the Waste Delivery Agreements. For example, during the first year of the Term, Contractor would pay County \$14.25 per ton of Committed City Waste.

- Both the Base Concession Payment on County Committed Waste and Self-Haul Waste and the Special Concession Payment on Committed County Waste and Self Haul Waste will be charged throughout the Committed Waste Period and the County Facilities Operation Period. For example, during the first year, Contractor would pay County \$10.25 per ton of Committed County Waste and Self-Haul Waste.
- If total tons of Committed and Self Haul Waste drop below 175,000 tons per year, County has the right to increase the Base Concession Payment (Column A).
- The above Base Concession Payments shall be imposed on every ton coming through the County Facilities (except as provided in Note 10 below) throughout the Committed Waste Period and the County Facilities Operation Period, except as provided in paragraph 5 herein.
- All Concession Fee Payments described in this Exhibit shall be a “pass-through” expense of Contractor and shall be included in the Gate Rates to be collected by Contractor. Contractor shall not be obligated to make payment on materials where the Concession Fees have not been placed in the tipping fees that Contractor can collect or if materials are not being delivered to the County Facilities.
- The above Base Concession Payments (Column A), Special Concession Payment on Committed County Waste/Self Haul Waste (Column B) and Special Concession Payment on Committed City Waste (Column C) shall be charged on every ton coming through the County Facilities, including all green waste and wood waste received at the County Facilities with the following limited exceptions:
 - Beneficial Reuse Material [“Beneficial Reuse Materials” means materials that are incorporated into the operations of the County Facilities in accordance with Applicable Law, including but not limited to material used as or for Alternative Daily Cover, daily or intermediate soil cover, construction of drainage and erosion controls, retaining walls, French drains, sedimentation basins, roads, all weather surfaces, or other non-disposal, beneficial reuse. The term shall not include materials converted for purposes of producing energy or other products.]
 - Special Waste from within the County [“Special Waste” means any solid, liquid, semi-solid, gaseous material and associated containers which would not normally be disposed of by a municipal garbage removal and disposal system, which by way of example would include materials generated as a direct or indirect result of an industrial process or from the removal of contaminants(s) from the air, water or land. “Special Waste” includes but is not limited to any Waste from a non-residential source that includes, but is not limited to any of the following: industrial process waste, pollution control waste, incinerator residues, ash, spent catalyst, coke, sludges; tires, bottom settlements and water from storage tanks, oily silt, gasoline additive residues, tars, oils, grease, contaminated soil, contaminated wood, dead animals, residue, debris, articles from the cleanup of a spill or release of materials listed in this section, and regulated asbestos-containing material as defined in 40 CFR 61.141.]
 - Residuals from any other non-County owned waste processing or transfer station facility within the County.

EXHIBIT B

Provided the Effective Date occurs within Fiscal Year 2013-14, County administrative costs are estimated to be \$785,927 per year, once the Master Operations Agreement becomes effective. The \$785,927 estimate for administrative costs is based on the assumption of core labor, services and supplies, equipment, audit, IT and accounting services, legal services and overhead costs needed to run a budget to administer and oversee the Master Operations Agreement and manage post-closure maintenance of the Former Landfills. Labor is large portion of this cost, and has been increased in response to feedback regarding the need for robust oversight of the Master Operations Agreement. Key positions included within the Baseline Administrative Costs are 0.75 FTE for management oversight, and 0.60 FTE for field inspection oversight. A more detailed estimate is set forth on the next page.

This Waste Delivery Agreement (this "Agreement") is executed as of _____, 2014 by and between the City of Rohnert Park, a municipal corporation organized under the laws of the State of California ("City"), and Republic Services of Sonoma County, Inc., a Delaware corporation ("Contractor"). The City and Contractor are jointly referred to herein as the "Parties," or individually as a "Party." [Note: All references to "city" or "cities" herein shall include the City of Rohnert Park.]

RECITALS:

WHEREAS, the County of Sonoma owns the Central Landfill, the Central Transfer Station and a network of four other solid waste transfer stations in Annapolis, Guerneville, Healdsburg, and Sonoma (the "County Facilities"), which have historically provided for the Waste Disposal needs of the County and the cities in Sonoma County; and

WHEREAS, the County wishes to contract with Contractor for the continued permitting, construction, and operation of these County Facilities, for construction of a new materials recovery facility within the Central Transfer Station building (which, when constructed, shall become part of the "County Facilities") and, ultimately, for the closure and post-closure of all of the Central Landfill in accordance with Applicable Law; and

WHEREAS, on March 14, 2013, the County of Sonoma obtained valid Waste Discharge Requirements No. R1-2013-0003 from the North Coast Regional Water Quality Control Board for operation, corrective action, new construction, and closure of the Central Landfill; and

WHEREAS, the Contractor has the expertise and resources to undertake these obligations requested by the County and is willing to do so, provided that the County and a sufficient number of cities in the County commit the delivery of their Waste to Contractor and the County Facilities; and

WHEREAS, on April 23, 2013, Contractor entered into an agreement with the County of Sonoma entitled "Agreement for Operation of the Central Landfill and County Transfer Stations," ("County Operations Agreement"), whereby Contractor has agreed, subject to various conditions including Contractor receiving adequate Waste delivery commitments from the cities in the County, to operate the Central Landfill, Central Transfer Station, Materials Recovery Facility and the County's other Transfer Stations to provide for the Waste Disposal needs of the communities in Sonoma County; and

WHEREAS, in order to satisfy a condition to the effectiveness of the County Operations Agreement and to obtain the benefits of Contractor's performance thereunder, the City has agreed to deliver its Committed City Waste, which is hereinafter defined, to the Contractor and the County Facilities for a minimum period of twenty five (25) years, subject to the terms and conditions in this Waste Delivery Agreement; and

WHEREAS, the effectiveness of this Waste Delivery Agreement is likewise contingent on the execution of the Amended County Operations Agreement, the execution of individual Waste Delivery Agreements with the Cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol, and

Sonoma and the Town of Windsor, as well as their individual Settlement Agreements with the County of Sonoma concerning alleged liability relating to the County Facilities.

ARTICLE 2. DELIVERY AND ACCEPTANCE OF WASTE

2.1 Commitment to Deliver Committed City Waste to County Facilities

(a) Commencing on the Effective Date and throughout the Term of this Agreement, the City shall exercise all legal and contractual power and authority which it may possess to deliver or cause the delivery to the Contractor and the County Facilities of all Committed City Waste, except for those categories of Waste excluded from such commitment in Section 2.2 below and Exhibit B. A City shall not avoid its commitment to deliver Committed City Waste under this Agreement by entering into a new primary hauler contract or by adopting an ordinance, resolution or other local rule that provides that Committed City Waste shall not be required to be directed to the Central Landfill.

(b) Without limiting the generality or scope of the definition of Waste, this waste delivery commitment includes the following categories of Waste generated in the City: non-Recyclable Materials, Mixed Waste, Beneficial Reuse Materials, and generally all Waste currently directed to the Central Landfill or County Facilities pursuant to the current City collection franchise agreement, subject to the exclusions below in Section 2.2 and Exhibit B.

(c) The City shall exercise its Flow Control powers to fulfill the entirety of its waste delivery commitment to Contractor throughout the Term of this Agreement.

(d) This commitment for delivery of Committed City Waste by the City is not a guaranty that any specific quantity of Waste will be delivered to Contractor and the County Facilities. This Agreement does not represent a "put or pay" arrangement in which the City or its Franchised Hauler must make a fixed or minimum monthly or annual payment to Contractor

regardless of the actual amount of Waste deliveries made to Contractor under this Agreement. Contractor acknowledges that the actual Waste deliveries to Contractor and the County Facilities may be higher or lower than its projections, proposal assumptions or historical averages.

(e) Contractor shall accept all Committed City Waste described in this Agreement, except for Unpermitted Material, delivered to any of the County Facilities for transfer, processing, recycling and/or disposal, in accordance with the respective rules and operating hours of each such County Facility.

(f) For the Term of this Agreement, the Gate Rate at the Central Landfill shall be fixed by the terms of Article 11 and other sections of the County Operations Agreement and be inclusive of any costs associated with the operation of the Transfer Stations and Transport to the Central Landfill.

2.2 Exclusions from Committed City Waste

See Exhibit B, which defines the categories of Waste that are excluded from Committed City Waste for purposes of this Agreement.

2.3 Food Waste and Dry Commercial Mixed Waste Collection Program

(a) City shall authorize its Franchised Hauler to implement a City-wide commercial Food Waste collection program. The City's Franchised Hauler will commence the new City-wide commercial Food Waste collection program when directed to do so by the City. The Franchised Hauler's costs of this program are fully compensated through the Contractor's Gate Rates, and Franchised Hauler shall agree by executing the addendum, attached hereto as Exhibit C, not to seek additional compensation from City for the commercial Food Waste collection program for the Term of the Agreement.

(b) The City's Franchised Hauler shall commence the City-wide collection of dry commercial Mixed Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler's costs of this program are being fully compensated through the Contractor's Gate Rates, and City's Franchised Hauler shall agree by executing the addendum, attached hereto as Exhibit C, not to seek additional compensation from City for the Contractor's incremental costs of implementing and conducting the dry commercial Mixed Waste collection program for the Term of the Agreement.

2.4 New, Extended Or Modified Franchise Agreements

Whenever the City's Franchised Hauler has its contract, authorization, permit, license or franchise agreement renewed (excluding only a renewal on the basis of a unilateral option of the Franchised Hauler), extended or materially modified after the Execution Date, the City shall incorporate language in such contract, authorization, permit, license or franchise agreement, requiring the Franchised Hauler to deliver all Committed City Waste to the Contractor and County Facilities for the Term of this Agreement, any extension hereof and any other City waste delivery commitment to Contractor, excluding only those categories of Waste listed in Section 2.2 and Exhibit B.

2.5 Contractor's Scope of Services and Fees for Accepting Committed City Waste

In exchange for accepting the delivery of Committed City Waste at any of the County Facilities pursuant to this Agreement and the County Operations Agreement, Contractor shall perform the scope of services and obligations for the Committed Cities as more fully set forth in Exhibit E and incorporated herein by reference. Such obligations include, but are not limited to, the Transport of Committed City Waste from the Transfer Stations to the Central Landfill.

The Contractor's Service Fees for performing the services described in this Agreement and in the County Operations Agreement, and the Gate Rates to be charged Committed City Waste at the County Facilities, shall be determined in accordance with the provisions of Article 11 and other Sections of the County Operations Agreement; provided, however, that:

(a) notwithstanding any contrary provision in the County Operations Agreement, commencing upon the expiration of the twentieth year of the Term, the Contractor's Service Fees to City shall be reduced by five percent (5%) of the Service Fees (which are net of any County Concession Fees, Waste Management Agency Fees or any other governmental taxes, fees, surcharges or assessments) in effect immediately prior to the end of the twentieth year of the Term. Thereafter, Contractor's Service Fee shall be adjusted in accordance with the Rate Adjustment Provisions in the County Operations Agreement; and

(b) as a condition precedent to the effectiveness of this Agreement, Contractor and County shall have agreed that the Base Concession Fee described in Article 10 and Exhibit R of the County Operations Agreement shall no longer be charged to Contractor or City during the last five years of the 25 year Initial Term; and

(c) Contractor further agrees to include as part of the Gate Rate the Committed City Contingent Liability Fee on all waste from the Committed Cities and transfer said fees to the County to hold in trust for the Cities in accordance with the Settlement Agreement between the Committed Cities and the County and as provided for in the Amendment to the County Operations Agreement.

2.6 No Guaranty of Payment by City; Franchised Hauler's Failure To Pay Gate Rate; Delinquency and Remedies

(a) Notwithstanding the City's commitment to deliver Committed City Waste as described herein, such commitment is not a guaranty of payment from the City's general fund. Contractor shall be solely responsible for invoicing the Franchised Haulers delivering Committed City Waste and shall be responsible for obtaining Gate Rate payments from such Franchised Hauler through normal, commercial means. The City shall not have any direct responsibility or liability for unpaid amounts unless the City is itself directly hauling its Committed City Waste to the County Facilities; provided, however, the City agrees to the following process to cure any delinquencies of the Franchised Hauler:

(i) If the Franchised Hauler is delinquent in paying any invoices from Contractor for the Gate Rates applicable to its prior deliveries of Committed City Waste, then Contractor shall immediately provide City written notice of such delinquency. For purposes of this subsection, a Franchised Hauler shall be deemed delinquent if it has not paid the full amount of any invoice of Contractor within thirty (30) days of the date of the

invoice, unless there is a pending good faith dispute as to the invoice.

(ii) Upon receiving written notice of the Franchised Hauler's delinquency, City shall have ninety (90) days to take reasonable internal actions to ensure payment of all undisputed invoices by the Franchised Hauler. If, after ninety (90) days, the City is unable to obtain payment by the Franchised Hauler, and there is no pending good faith dispute as to the invoice, then the Contractor may declare the City to be in breach of this Agreement and serve City with notice of breach.

(iii) The City shall be allowed a reasonable opportunity to cure the breach after receipt of written notice of breach. During the cure period, the City shall, in its sole discretion, develop an agreeable plan for curing the Franchised Hauler's delinquency. City actions to cure may include, but not be limited to, terminating the Franchised Hauler's contract, filing for receivership, obtaining financial assurances adequate to Contractor, or selecting a new primary hauler and entering into a new franchise agreement with terms guaranteeing repayment to Contractor of all outstanding balances over a period of time through a supplemental rate structure. During the cure period, interest at the rate of one percent (1.0%) per month shall also begin to accrue on any liquidated amounts of delinquent Gate Rates. As long as City takes any of the actions described in this subsection (iii) to secure payment of all delinquent amounts, then in no event shall City be required to pay any outstanding invoices.

(iv) Nothing in this Section is intended to limit or inhibit Contractor from asserting any legal rights it may have against City's Franchised Hauler in order to secure payment of delinquent invoices. For example, Contractor at its sole discretion may place any Franchised Hauler or other entity on a Cash on Delivery (COD) payment basis if the Franchised Hauler is deemed delinquent as well as any other legal remedies as may be available to it subject to the terms of this Agreement.

2.7 Flow Control Enforcement.

(a) The City shall not enter into any new contract, franchise, permit, authorization or license, or grant any assignment or transfer of an existing contract, franchise, permit, authorization or license, or grant any other approval or take any other action that is inconsistent with the requirements of this Agreement, including the City's commitment to deliver Committed City Waste to the Contractor and County Facilities as required herein except as may be agreed to by Contractor.

(b) The City agrees that the Contractor shall be a third party beneficiary of the obligation of all City Franchised Haulers over which the City has exercised flow control to deliver Committed City Waste to the Contractor and County Facilities, and that Contractor may directly enforce such obligation through any legal means available. The City shall notify in writing each Franchised Hauler of the Contractor's third party beneficiary rights. Delivery of a fully executed copy of this Agreement to the Franchised Hauler shall constitute such notification.

(c) The City, in cooperation with the Contractor, shall establish, implement, carry out and enforce a waste flow enforcement program that is sufficient to reasonably assure the delivery of all Committed City Waste to the Contractor and County Facilities consistent with this Agreement. The waste flow enforcement program shall consist of amending City contracts, franchises, permits, authorizations or licenses with Franchised Haulers, to the extent required by this Agreement, and

shall include in addition, to the extent necessary and appropriate in the circumstances to assure compliance with this Agreement, but shall not be limited to: (1) granting or issuing contracts, franchises, permits, authorizations or licenses to Franchised Haulers, upon the condition of compliance with this Agreement, and (2) providing for and taking appropriate reasonable enforcement action under any such contract, franchise, permit, authorization or license, such as, but not limited to, the suspension, revocation and termination of collection rights and privileges, the imposition of fines or collection of damages, and the exercise of injunctive relief against non-complying Franchised Haulers as determined appropriate by the City in its sole discretion.

(d) Contractor may initiate enforcement action as a third party beneficiary of this Agreement at its sole cost and expense, if the City's Franchised Hauler fails to honor its commitments to deliver Committed City Waste to Contractor ten (10) days after providing written notification to the City. The City shall reasonably cooperate with Contractor if Contractor initiates such action.

(e) The City shall use its good faith efforts to preserve, protect and defend its rights to exercise and comply with this Agreement against any challenge thereto, legal or otherwise (including any lawsuits involving the City as Party, whether as plaintiff or defendant), by any Franchised Hauler or any other person, based upon breach of contract, violation of law or any other legal theory. At the request of the Contractor and at the option of the City, the City may assign its rights and obligations pursuant to this paragraph to the Contractor, and the Contractor shall, at Contractor's election, accept such assignment and the Contractor shall defend the City at the Contractor's sole cost and expense or indemnify the City for the payment of any costs incurred by the City in defense of any such challenge. The City and Contractor shall cooperate and coordinate in any such defense.

(f) The City shall immediately notify the Contractor of any changes in the contract, franchise, permit, authorization or license of its Franchised Hauler that may affect the Franchised Hauler's obligation or ability to comply with the City's commitment to deliver Committed City Waste to Contractor and the County Facilities. Notwithstanding the foregoing this clause shall not relieve the City of its obligations under Sections 2.1, 2.4 and 2.7 of this Agreement.

(g) The City shall cooperate with the Contractor in collecting information and otherwise monitoring the City's Franchised Hauler in order to assure compliance with this Agreement. Such information may include, to the extent practicable, data pertaining to Committed City Waste collected, stored, processed and disposed of, and all other information which is reasonably available to the City and may be required by the Contractor in connection with this Agreement.

(h) A breach or default by the City as to its commitment of Committed City Waste under this Section shall not be considered a breach or default by the County or any other Committed City. A breach or default by the County as to its commitment of Committed County Waste under this Section shall not be considered a breach or default by any Committed City. In no event shall the City have any obligation for any other Committed City or any Committed City have any obligation for the County and no joint or several liability shall apply under any circumstance.

(i) In the event Contractor, by reason of a Force Majeure Event, is unable to accept delivery of the City's Committed City Waste at the Central Landfill, then Contractor shall ensure that the Committed City Waste is transferred to and disposed of at another permitted facility, at no additional cost to the City, until the Force Majeure Event is lifted.

(j) It is the intention of the Parties that this Agreement and the obligations and rights of the City hereunder, including particularly the commitment of delivery of Committed City Waste to Contractor and the County Facilities, shall to the extent permitted by Applicable Law extend to any territory annexed by the City and shall bind any successor or restructured Governmental Authority which shall assume or succeed to the rights of the City under Applicable Law.

5.2 Excluded Liabilities

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

IN THIS CONNECTION, CONTRACTOR HEREBY AGREES, REPRESENTS, AND WARRANTS THAT IT REALIZES AND ACKNOWLEDGES THAT FACTUAL MATTERS NOW UNKNOWN TO IT MAY HAVE GIVEN OR MAY HEREAFTER GIVE RISE TO CLAIMS THAT ARE PRESENTLY UNKNOWN, UNANTICIPATED AND UNSUSPECTED, AND IT FURTHER AGREES, REPRESENTS, AND WARRANTS THAT THIS RELEASE HAS BEEN NEGOTIATED AND AGREED UPON IN LIGHT OF THAT REALIZATION AND IT NEVERTHELESS HEREBY INTENDS TO RELEASE THE COUNTY, THE OTHER MEMBERS OF THE COUNTY GROUP AND THE COMMITTED CITIES FROM THE LOSSES AND MATTERS DESCRIBED IN THIS SECTION.

6.3 Covenant Not to Sue

(a) Neither Contractor, nor any entity claiming through Contractor, shall have any rights, claims, remedies or actions against the City for any matter with respect to which Contractor has provided indemnification under this Agreement or a release under this Agreement. Notwithstanding the foregoing, Contractor is not assuming any liabilities or obligations for any matter covered by the Contractor's exceptions to indemnity under Section 6.4 of this Agreement

(b) Contractor, for itself, does hereby covenant forever and unconditionally not to sue, make any claim or take any action against the City for any loss arising out of, relating to (i) any Assumed Liabilities (but excluding Excluded Liabilities); (ii) any other matter with respect to which Contractor has provided indemnification or a release under the County Operations Agreement; and (iii) facilities other than the County Facilities at which Contractor disposes of or

6.4 Exceptions to Scope of Contractor's Indemnity, Release and Covenant Not To Sue.

A. Compost Facility and HHW Facility at Landfill Land.

(i) Unless Contractor agrees to assume operation of the Compost Facility or future Compost Facility pursuant to Article 7 of the County Operations Agreement, Contractor shall have no obligation to defend, hold harmless or indemnify the City for any liabilities, losses, claims or Environmental Conditions that Contractor proves by a preponderance of evidence were or are caused by the presence or operation of any Compost Facility, the future Compost Facility, or other composting operation on the Landfill Land that may occur from and after the Effective Date, and Contractor's release and covenant not to sue shall not apply to any such claims or Environmental Conditions. Without limiting the foregoing and by way of example only, such post-Effective Date Environmental Conditions may include vehicle fuel or lubricant spills, contamination of or failure to control surface water run-off from composting operations, air emissions from composting operations, composting odors, nuisance claims, and aspergillum or other biological contamination of water or air caused by the composting of organic materials such as Food Waste, permit violations, notices to comply, or violations of Applicable law; provided, however, that under all circumstances Contractor's indemnity, release and covenant not to sue shall apply to any leachate or landfill gas generated by the Central Landfill or Landfill operations.

(ii) Unless Contractor assumes operation of the Household Hazardous Waste Facility pursuant to Article 7 of the County Operations Agreement, Contractor shall have no obligation to defend, hold harmless or indemnify the City for any liabilities, losses, claims or Environmental Conditions that Contractor proves by a preponderance of evidence were or are caused by the presence or operation of the Household Hazardous Waste Facility at the Landfill Land, and Contractor's release and covenant not to sue shall not apply to any such claims or Environmental Conditions.

ARTICLE 7: REPRESENTATIONS AND WARRANTIES

7.1 Representations and Warranties of Contractor.

Contractor, by acceptance of this Agreement, hereby makes the following representations and warranties for the benefit of the City as of the Execution Date, each of which shall be deemed remade as of the Effective Date, unless Contractor specifies in writing otherwise.

(a) Corporate Status.

Contractor is a corporation duly organized, validly existing and in good standing under the laws of the State of California. Contractor is qualified to transact businesses in the State of California and has the power to own its properties and to carry on its business as now owned and

operated and as required by this Agreement.

(b) Corporate Authorization and Binding Obligation.

Contractor has the authority to enter into and perform its obligations under this Agreement. The officers of Contractor have taken all actions required by law, its articles of incorporation, bylaws, or otherwise, to authorize the execution of this Agreement. The person signing this Agreement on behalf of Contractor has the authority to do so. This Agreement constitutes the legal, valid and binding obligation of Contractor to comply with each of the provisions of this Agreement, except as such enforceability may be limited by Applicable Laws of general application affecting the rights of contracting parties, bankruptcy, insolvency or other similar Applicable Laws of general application relating to or affecting the enforcement of creditors' rights and by general equitable principles.

(c) Agreement Will Not Cause Breach.

Neither the execution and delivery by Contractor of this Agreement, nor the performance of Contractor of its obligations hereunder:

1. Conflicts with, violates or will result in a violation of any existing applicable law; or
2. Conflicts with, violates or will result in a breach or default under any term or condition of any existing judgment, order or decree of any court, administrative agency or other governmental authority, or of any existing contract or instrument to which Contractor is a party, or by which Contractor or any of Contractor's properties or assets is bound; or
3. Will result in the creation or imposition of any lien, charge, or encumbrance of any nature whatsoever upon any of the properties or assets of Contractor which will interfere materially with Contractor's performance hereunder.

(d) No Litigation.

To the best of Contractor's knowledge, after reasonable investigation, and except as disclosed to the City, there is no action, suit, proceeding or investigation, at law or in equity, before or by any court or Governmental Authority, commission, board, agency or instrumentality decided, pending or threatened against Contractor wherein an unfavorable decision, ruling or finding, in any single case or in the aggregate, would materially adversely affect the performance by Contractor of its obligations hereunder or which, in any way, would adversely affect the validity or enforceability of this Agreement or which would have a material adverse effect on the financial condition of Contractor or any surety guaranteeing Contractor's performance under this Agreement, which has not been waived by the City in writing.

(e) No Adverse Judicial Decisions.

To the best of Contractor's knowledge, after reasonable investigation, there is no judicial decision that affects the validity of this Agreement or subjects this Agreement to legal challenge.

(f) Ability to Perform.

Contractor possesses the business, professional, and technical capabilities to operate the Landfill, accept and dispose of Waste at the Landfill and operate the Transfer Stations and Material Recovery Facility; Contractor possesses or knows of no impediment to its obtaining the Permits to perform this Agreement; and Contractor possesses the equipment, facility, and employee resources required to perform this Agreement.

(g) Contractor's Investigation.

Contractor has made an independent investigation (satisfactory to it) of the conditions and circumstances surrounding the Agreement and the work to be performed hereunder and has taken these matters into consideration in its agreement to provide these services in exchange for the compensation provided for under the terms of this Agreement.

(h) Conflict of Interest.

Contractor warrants and represents that no elected official, officer, agent or employee of the City has a financial interest, directly or indirectly, in this Agreement, the compensation to be paid under it and, further, that no City employee who acts in the City as a "purchasing agent" as defined in the appropriate Section of California Statutes, nor any elected or appointed officer of the City, nor any spouse or child of such purchasing agent, employee or elected or appointed officer, is a partner, officer, director, or proprietor of the Contractor and, further, that no such City employee, purchasing agent, City elected or appointed officer, or the spouse or child of any of them, alone or in combination, has a material interest in the Contractor. Material interest means direct or indirect ownership of more than five percent (5%) of the total assets or capital stock of the Contractor.

(i) Representatives of the Parties.

Contractor has designated and submitted to the City, in writing, the name, title and contact information of a responsible officer who shall serve as the representative of Contractor and who shall have authority in all daily operational matters related to the Agreement. The City may rely upon action taken by such designated representative as action of Contractor unless for actions not taken within the scope of the Agreement. Unless otherwise specified in this Agreement, any action authorized or required to be taken by the City may be taken by the City Council or by an official or agent designated by the City Council.

(j) Financial Ability, Disclosures, No Material Changes.

Contractor has sufficient financial resources to perform all aspects of its obligations hereunder. Contractor has provided the County with audited financial statements which present fairly, in accordance with generally accepted accounting principles, the financial resources of Contractor. There has been no material adverse change in Contractor's or Contractor's parent company's financial circumstances since the date of the most recent financial statements.

(k) Contractor's Statements.

Contractor's proposal and any other supplementary information submitted to the City that the City has relied on in negotiations and entering into this Agreement, do not: (i) contain any untrue statement of a material fact, or (ii) omit to state a material fact that is necessary in order to make the statements made, in light of the circumstances in which they were made, not misleading.

(l) Landfill Disposal Capacity

Contractor has determined that the Central Landfill has sufficient Permitted Disposal Capacity to accept and dispose of all Committed City Waste delivered during the first five (25) years of this Agreement.

7.2 City Representations and Warranties.

The City, by acceptance of this Agreement, hereby makes the following representations and warranties for the benefit of the Contractor as of the Execution Date, each of which shall be deemed remade as of the Effective Date, unless the City specifies in writing otherwise:

(a) Organization and Existence.

The City is a municipal corporation of the State.

(b) Execution, Delivery and Enforceability.

The City has full power to enter into, and to carry out its obligations under, this Agreement. The execution and delivery of this Agreement, and the consummation of the transactions contemplated hereby and thereby, have been duly authorized by all necessary action required on the part of the City. This Agreement constitutes the valid and legally binding obligations of the City, enforceable against the City in accordance with its and their terms, except as such enforceability may be limited by Applicable Laws of general application affecting the rights of contracting parties (including those applying to enforcement against public entities), bankruptcy, insolvency or other similar Applicable Laws of general application relating to or affecting the enforcement of creditors' rights and by general equitable principles.

(c) No Litigation.

To the best of the City's knowledge, after reasonable investigation, there is no claim, at law or in equity, before or by any court or Governmental Authority, third party, commission, board, agency or instrumentality decided, pending or threatened against the City wherein an unfavorable decision, ruling or finding, in any single case or in the aggregate, would materially adversely affect the performance by the City of its obligations hereunder or which, in any way, would adversely affect the validity or enforceability of this Agreement or which would have a material adverse effect on the financial condition of the City.

(d) No Adverse Judicial Decisions.

To the best of the City's knowledge, after reasonable investigation, there is no judicial decision that affects the validity of this Agreement or subject this Agreement to legal challenge.

(e) No Consents.

No consent or approval of, filing with or notice to any entity is required to be obtained or made by the City in connection with the City's execution, delivery and performance of this Agreement, or the consummation of the transactions contemplated hereby, which, if not obtained or made, would prevent the City from performing its obligations hereunder or thereunder.

ARTICLE 8: EVENTS OF BREACH AND DEFAULT

8.1 Events of Breach

All provisions of this Agreement are considered material and City or Contractor's failure to perform any one of its obligations or services set forth in this Agreement shall constitute an event of breach. In addition, each of the following shall also constitute an event of breach:

(a) **Failure to Perform Obligations.** Contractor ceases to perform its services and obligations for the Committed Cities set forth in Exhibit E, for a minimum of either two (2) consecutive business days or three (3) non-consecutive business days within one (1) week for any reason within its control, but excluding a Force Majeure Event.

(b) **Failure to Maintain Coverage.** Contractor fails to provide or maintain in full force and effect insurance, liability, or indemnification coverage as required by this Agreement and Section 14.2 of the County Operations Agreement.

(c) **Violations of Applicable Law.** City or Contractor violates Applicable Law relative to this Agreement, including any orders or filings of any regulatory body having authority over the Party relative to this Agreement, provided that the Party may contest any such orders or filings in good faith, in which case no breach or default of this Agreement shall be deemed to have occurred upon final resolution of the contest or appeal in favor of the Party.

(d) **Seizure or Attachment.** There is a seizure or attachment of, or levy on, some or all of Contractor's operating equipment, including, without limitation, its maintenance or office facilities, or any part thereof.

(e) **City's Failure to Perform Obligations.** The City ceases to perform its obligations as required under Article 2 of this Agreement, unless due to a Force Majeure Event. With respect to its requirement to cure delinquent payments by Franchised Hauler, as more fully set forth above in Section 2.7, the City is unable to obtain payment from the Franchised Hauler for delinquent invoices due to Contractor.

(f) **Insolvency or Bankruptcy.** Contractor becomes insolvent, unable, or unwilling to pay its debts, a receiver is appointed or Contractor's assets are involuntarily transferred or assigned, or upon listing of an order for relief in favor of Contractor in a bankruptcy proceeding.

8.2 Rights to Remedy Breach

The Party in breach shall promptly, or as soon as practicable, provide the other Party written notice of the breach. Upon written notice, the Party shall have a reasonable time to cure, but such cure period shall not exceed ninety (90) days, except as otherwise provided for the City in Section 2.7.

8.3 Events of Default

Each of the following shall constitute an event of default:

(a) **Failure to Cure Breach.** Failure to cure an event of breach as provided above in Section 8.2.

(b) **Repeated Pattern of Breach.** A pattern of breaches of this Agreement over time such that the combination of breaches constitutes a material failure by the Party to perform its obligations, even if each individual breach is later cured.

(c) **Fraud or Deceit.** Contractor practices, or attempts to practice, any fraud or deceit upon the City.

(d) **False or Misleading Statements.** Any representation or disclosure made to the City by Contractor in connection with or as an inducement to entering into this Agreement, or any future amendment to this Agreement, which proves to be false or misleading in any material respect as of the time such representation or disclosure is made, whether or not any such representation or disclosure appears as part of this Agreement. In addition, any Contractor-provided report containing a misstatement, misrepresentation, data manipulation, or an omission of fact or content explicitly defined by the Agreement, excepting typographical and grammatical errors.

(e) **Criminal Activity.** Either Party, its officer, managers, or employees are found guilty of criminal activity related directly or indirectly to performance of this Agreement.

(f) **Assignment Without Approval.** Contractor transfers or assigns this Agreement without express written approval of the City.

8.4 Event of Default Not Curable

Neither Party shall have the right to cure an event of Default as set forth in Section 8.3. However, either Party may waive a default as provided below in Section 9.2.

ARTICLE 9: REMEDIES AND RESOLUTION OF DISPUTES

In addition to the flow control enforcement remedies provided above in Section 2.7, City and Contractor shall each have the following remedies, upon a determination that the other party has committed an event of default:

9.1 Right to Terminate

City or Contractor may terminate this Agreement. The Party seeking termination shall (a) first, provide written notice to the other Party that it intends to terminate; and (b) second, obtain a

court order from a court of competent jurisdiction in Sonoma County in order to effectuate termination. Termination shall be effective on the date specified in the court order.

9.2 Waiver of Default

City or Contractor may waive any default of the other Party if, in the Party's sole discretion, such a waiver would be in the best interests of both parties. A Party's waiver of default is not a waiver of future events that may have the same or similar conditions.

9.3 Other Available Remedies

A Party's election of one or more remedies described herein shall not limit that Party from any and all other remedies at law and in equity.

9.4 Dispute Resolution

(a) **Informal Resolution.** Should any dispute arise with respect to the performance and obligations of the Parties hereunder, at any time during the term of this Agreement, the provisions of this Section shall apply. Either Party shall give the other written notice of such dispute. Such notice shall specify a date and location for the Parties to meet and confer in good faith to resolve any dispute that may arise in a cooperative and mutually satisfactory manner. City and Contractor shall attempt to resolve their disputes informally to the maximum extent possible. In the event the Parties cannot resolve such dispute within thirty (30) days of such notice, either Party may propose to enter mediation or non-binding arbitration, as set forth below.

(b) **Mediation.** Either Party may propose the appointment of a mediator for advice and non-binding mediation, and the Parties shall cooperate in promptly scheduling the mediation.

(i) The mediation shall be conducted by the Judicial Mediation and Arbitration Service (JAMS) or such other service the parties agree on. The neutral shall be selected by the parties, but if they are unable to agree on a mediator, JAMS or the substitute service shall select the mediator in accordance with its rules.

(ii) If the mediator is unable, within thirty (30) days thereafter, to reach a determination as to the matter in dispute in a manner acceptable to the Parties hereto, then either Party may refer the matter to non-binding arbitration or a Court of competent jurisdiction.

(c) **Non-Binding Arbitration.** Either Party may propose to enter non-binding arbitration, and the other Party shall attend such arbitration proceedings. Arbitration proceedings shall be in accordance with California Code of Civil Procedure Section 1280 et. seq., the then-current JAMS Streamlined Arbitration Rules, and the terms of this Section. The arbitration shall be administered by JAMS and conducted in the County of Sonoma.

(i) If the Parties are unable to select an arbitrator, JAMS shall select a qualified arbitrator from its panel. If JAMS is unwilling or unable to (1) serve as the provider of arbitration or (2) enforce any provision of this arbitration clause, the Parties may mutually designate another arbitration organization with similar procedures to serve as the provider of arbitration. If the parties cannot agree on the arbitration organization, the Presiding Judge of the Sonoma County Superior Court shall designate such an organization upon the petition of either Party. The arbitrator shall be independent of, and unaffiliated with, each Party and shall not ever have been an employee of either Party, under contract with either Party in the past five (5) years or acted as an arbitrator for such Party within the past five (5) years.

(ii) The arbitrator shall have the authority and power to award costs, including

attorneys' fees and costs to the prevailing Party. Unless otherwise awarded by the arbitrator, the Parties shall evenly split the cost of any arbitration under this Section.

(d) **Pendency of Dispute.** During the pendency of any dispute under this Section, all applicable time periods directly related to the dispute shall be tolled until its resolution; provided, however, that no tolling shall apply to any matters other than those directly related to the dispute and such tolling shall not entitle a Party to breach, default, or fail to perform its obligations under this Agreement. In addition, the pendency of any dispute shall not stay or affect either Party's remedies under this Agreement, including but not limited to its rights to terminate.

ARTICLE 10: GENERAL PROVISIONS

10.1 Further Instruments

Each party will, whenever and as often as it shall be reasonably requested so to do by the other, cause to be executed, acknowledged or delivered, any and all such further instruments and documents as may be necessary or proper, in the reasonable opinion of the requesting party, in order to carry out the intent and, purpose of this Agreement.

10.2 Corporate Guaranty

As a condition precedent to the effectiveness of this Agreement, Contractor's parent company, Republic Services, Inc., shall duly authorize, execute and deliver to the City the Corporate Guaranty attached hereto as Exhibit F.

10.3 Entire Agreement; Amendments

This Agreement contains the entire agreement between the Parties respecting the matters herein set forth and supersedes all prior or contemporaneous agreements or understandings, verbal or written, between the Parties hereto respecting such matters. This Agreement may be amended by written agreement of amendment executed by both Parties hereto, but not otherwise.

10.4 Governing Law and Venue

This Agreement shall be construed and enforced in accordance with the laws of the State of California. Any action that is commenced by either party to enforce or interpret any of the terms and conditions of this Agreement shall be brought in a court of competent jurisdiction for Sonoma County.

10.5 Successors and Assigns.

(a) Contractor shall not assign or transfer its rights or obligations under this Agreement without the express written consent of the City, which consent shall not be unreasonably withheld (in which event such transferee shall assume in writing all of the transferor's obligations hereunder, but such transferor shall not be released from its obligations hereunder). No consent given by the City to any transfer or assignment of the Contractor's rights or obligations hereunder shall be construed as consent to any other transfer or assignment of Contractor's rights or obligations hereunder. No transfer or assignment in violation of the provisions hereof shall be valid or enforceable. Any assignment of this Agreement without the express written consent of the City

shall be null and void and shall be grounds for the City to declare a default of this Agreement and immediately exercise all rights and remedies hereunder. Subject to the foregoing, this Agreement and the terms and provisions hereof shall inure to the benefit of and be binding upon the successors and assigns of the Parties. If Contractor obtains express written consent of City to assign or transfer its rights and obligations, then Contractor shall follow the provisions for assignment and transfer in accordance with Section 19.2 of the County Operations Agreement. The transfer or assignment of this Agreement, along with the assets of Contractor, to another wholly owned subsidiary of Republic Services, Inc. or its successor shall not be deemed an assignment.

(b) City may assign its rights and responsibilities under this Agreement to any other entity as long as any such proposed assignee under this Section shall: (1) have the legal authority and financial capacity sufficient to assume and perform all of City's obligations hereunder; and (b) shall agree in writing to do so.

10.7 Counterparts

This Agreement may be executed in several counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same document.

EXHIBIT C

FRANCHISED HAULER'S AGREEMENT TO BE BOUND BY CITY'S WASTE DELIVERY COMMITMENT

This agreement is entered into between Rohnert Park Disposal, Inc. ("Franchised Hauler"), the City of Rohnert Park ("City") and Republic Waste Services of Sonoma County, Inc. ("Contractor"). All words and phrases in this agreement with initial capital letters are defined in the attached Waste Delivery Agreement.

Franchised Hauler acknowledges that it has read and understood the foregoing Waste Delivery Agreement ("Waste Delivery Agreement") between the City and Contractor. Franchised Hauler agrees to fully honor and comply with the City's Waste delivery obligations to Contractor in the Waste Delivery Agreement, and as the Waste Delivery Agreement may hereafter be modified or extended by the City and Contractor at their sole discretion. Franchised Hauler shall deliver all such Waste to Contractor and the County facilities as required by and in accordance with the Waste Delivery Agreement. The Term of Franchised Hauler's obligations hereunder shall be coterminous with the Term of the City's Waste Delivery Agreement with Contractor, and therefore will not expire until the Term of the Waste Delivery Agreement, as it may be extended by City and Contractor, expires.

Without limiting the generality of the foregoing, Franchised Hauler agrees that:

1. Notwithstanding any other term, condition or provision in Franchised Hauler's franchise agreement with the City, Franchised Hauler will deliver all Committed City Waste that is collected, transported or otherwise handled by Franchised Hauler to the Contractor and County Facilities for the Term of the Waste Delivery Agreement, as it now exists or may hereafter be modified or extended, except for Waste that is excluded from the City's Waste delivery obligation to Contractor as described in Section 2.2 and Exhibit B of the Waste Delivery Agreement. Franchised Hauler shall do all things necessary and execute any further agreements or instruments required to effectuate Franchised Hauler's obligation this agreement. In addition, Franchised Hauler shall deliver all Construction and Demolition Debris collected in the City to the County facilities. This agreement by Franchised Hauler amends, supersedes and controls over any contrary or inconsistent provision in any agreement that Franchised Hauler has, or may hereafter enter into, with the City.

2. Franchised Hauler shall pay Contractor's invoices for delivery of Waste collected by Franchised Hauler in the City within thirty (30) of the date of the invoice. Any unpaid invoiced amounts not paid within said thirty (30) days shall bear interest at the rate of one and one half percent (1.5%) per month until paid. Contractor shall be entitled to recover its attorneys' fees, expert witness fess and all other costs of litigation incurred in collecting delinquent invoices from Franchised Hauler.

3. Franchised Hauler shall commence the City-wide collection of Food Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler's costs of this program are being fully compensated through the Contractor's Gate Rates, and Franchised Hauler agrees not to seek additional compensation from City for the Contractor's incremental costs of implementing and conducting the commercial Food Waste collection program for the Term of the Agreement.

4. Franchised Hauler shall commence the City-wide collection of dry commercial Mixed Waste from commercial Premises in the City when directed to do so by the City. The Franchised Hauler's costs of this program are being fully compensated through the Contractor's Gate Rates, and Franchised Hauler agrees not to seek additional compensation from City for the Contractor's incremental costs of implementing and conducting the dry commercial Mixed Waste collection program for the Term of the Agreement.

5. Franchised Hauler shall defend and indemnify the City from and against any and all losses and liabilities associated with the Franchised Hauler's breach of this Agreement.

6. The parties acknowledge that the implementation of the Waste Delivery Agreement will result in an increase in the cost of disposal at the County Facilities. City agrees that Franchised Hauler may pass through the increase in disposal costs arising upon the Effective Date of the Waste Delivery Agreement. Franchised hauler shall promptly notify City of the rate increase for each service provided by Franchised Hauler necessary to defray the increased cost of disposal at the County facilities under the Waste Delivery Agreement. City shall reasonably approve the imposition of such increased maximum rates on the Effective Date of the Waste Delivery Agreement.

FORM OF GUARANTY

THIS GUARANTY, INDEMNIFICATION AND RELEASE AGREEMENT (this "**Guaranty**") is made as of _____, 2014, by **REPUBLIC SERVICES, INC.**, a Delaware corporation ("**Guarantor**"), in favor of **THE CITY OF ROHNERT PARK**, a political subdivision of the State of California ("**City**").

R E C I T A L S

A. Republic Services of Sonoma City, Inc. a Delaware corporation, as contractor ("**Contractor**"), and City are parties to that certain Waste Delivery Agreement dated as of _____, 2014 (the "**Agreement**"). Contractor is also a party to the County Operations Agreement with the County of Sonoma. Initially capitalized terms used herein without definition will have the meaning given such term in the Agreement are hereby incorporated herein.

B. To induce City to enter into the Agreement and consummate the transactions contemplated thereby, Guarantor has agreed to enter into this Guaranty.

C. Guarantor is the ultimate parent of Contractor.

D. Without this Guaranty, City would not have entered into the Agreement. Therefore, in consideration of City's execution of the Agreement, Guarantor has agreed to execute this Guaranty.

NOW, THEREFORE, in consideration of the foregoing Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Guarantor agrees as follows:

1. **Guaranty.** Guarantor guarantees to City and its successors and assigns, the full and prompt payment and performance when due of all of the obligations of Contractor arising out of, in connection with, under or related to the Waste Delivery Agreement and the Master Operations Agreement, as such terms are defined in the Agreement and each and every other document and agreement executed by Contractor in connection with the consummation of the transactions contemplated by the Agreement, including all City Waste Delivery Agreements (which shall collectively be referred to herein as the "**Project Documents**"). The obligations guaranteed pursuant to this Guaranty are collectively referred to herein as the "**Guaranteed Obligations.**"

2. **Unconditional Obligations.** This Guaranty is a guaranty of payment and performance and not of collection and is an absolute, unconditional and irrevocable guarantee of the full and prompt payment and performance when due of all of the Guaranteed Obligations, whether or not from time to time reduced or extinguished or hereafter increased or incurred; whether or not recovery may be, or hereafter may become, barred by any statute of limitations or

otherwise; provided, however, that this Guaranty shall not be enforceable against Guarantor to the extent (and only to the extent) it is determined or has been determined not to be enforceable either by an arbitrator pursuant to the Dispute Resolution Provision in the Agreement (the "Dispute Resolution Provision") or by a court of competent jurisdiction that the Guaranteed Obligations are not enforceable against Contractor. If any payment made by Contractor or any other Person and applied to the Guaranteed Obligations is at any time annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be repaid or refunded, then, to the extent of such payment or repayment, the liability of Guarantor will be and remain in full force and effect as fully as if such payment had never been made. Guarantor covenants that this Guaranty will not be fulfilled or discharged, except by the complete payment and performance of the Guaranteed Obligations, whether by the primary obligor or Guarantor under this Guaranty. Without limiting the generality of the foregoing, Guarantor's obligations hereunder will not be released, discharged or otherwise affected by (a) any change in the Project Documents or the obligations thereunder, or any insolvency, bankruptcy or similar proceeding affecting Contractor, Guarantor or their respective assets; and (b) the existence of any claim or set-off which Contractor has or Guarantor may have against City, whether in connection with this Guaranty or any unrelated transaction, except and only to the extent any claim or set-off is actually allowed either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction, provided that nothing in this Guaranty will be deemed a waiver by Guarantor of any claim or prevent the assertion of any claim by separate suit. This Guaranty will in all respects be a continuing, absolute, and unconditional guaranty irrespective of the genuineness, validity, regularity or enforceability of the Guaranteed Obligations or any part thereof or any instrument or agreement evidencing any of the Guaranteed Obligations or relating thereto, or the existence, validity, enforceability, perfection, or extent of any collateral therefor or any other circumstances relating to the Guaranteed Obligations which might otherwise constitute a defense to the Guaranteed Obligations or this Guaranty, except and only to the extent such defenses are adjudicated or have been adjudicated either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction.

3. **Independent Obligations.** Guarantor agrees that the Guaranteed Obligations are independent of the obligations of Contractor and if any default occurs hereunder, a separate action or actions may be brought and prosecuted against Guarantor whether or not Contractor is joined therein. City may maintain successive actions for other defaults of Guarantor. City's rights hereunder will not be exhausted by the exercise of any of its rights or remedies or by any such action or by any number of successive actions until and unless all Guaranteed Obligations have been paid and fully performed.

(a) Guarantor agrees that City may enforce this Guaranty, at any time and from time to time, without the necessity of resorting to or exhausting any security or collateral and without the necessity of proceeding against Contractor. Guarantor hereby waives the right to require City to proceed against Contractor, to exercise any right or remedy under any of the Project Documents or to pursue any other remedy or to enforce any other right.

(b) Guarantor will continue to be subject to this Guaranty notwithstanding: (i) any modification, agreement or stipulation between or among Contractor or City or their respective successors and assigns, with respect to any of the Project Documents or the Guaranteed Obligations; (ii) any waiver of or failure to enforce any of the terms, covenants or

conditions contained in any of the Project Documents or any modification thereof; (iii) any release of Contractor from any liability with respect to any of the Project Documents; or (iv) any release or subordination of any collateral then held by City as security for the performance by Contractor of the Guaranteed Obligations.

(c) The Guaranteed Obligations are not conditional or contingent upon the pursuit by City of any remedies which City either now has or may hereafter have with respect thereto under any of the Project Documents.

4. **Liability of Guarantor.**

(a) City may enforce this Guaranty upon the occurrence of a breach by Contractor of any of the Guaranteed Obligations (following the expiration of any notice and cure period set forth in the applicable Contract Document and applicable to such breach), notwithstanding the existence of any dispute between or among City, Contractor and Guarantor with respect to the existence of such a breach.

(b) Guarantor's performance of some, but not all, of the Guaranteed Obligations will in no way limit, affect, modify or abridge Guarantor's liability for those Guaranteed Obligations that have not been performed.

(c) City, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability of this Guaranty or giving rise to any reduction, limitation, impairment, discharge or termination of Guarantor's liability hereunder, from time to time may (i) with respect to the financial obligations of Contractor, renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of financial obligations that are Guaranteed Obligations, and/or subordinate the payment of the same to the payment of any other obligations, (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto, (iii) request and accept other guarantees of the Guaranteed Obligations and take and hold security for the payment of this Guaranty or the Guaranteed Obligations, (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for performance of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person with respect to the Guaranteed Obligations, (v) enforce and apply any security hereafter held by or for the benefit of City in respect of this Guaranty or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that City may have against any such security, as City in its discretion may determine, and (vi) exercise any other rights available to it under the Project Documents.

(d) This Guaranty and the obligations of Guarantor hereunder will be valid and enforceable and will not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than indefeasible performance in full of the Guaranteed Obligations), including without limitation the occurrence of any of the following, whether or not Guarantor will have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of

court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Project Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement or instrument relating thereto; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including without limitation provisions relating to events of default) of the Project Documents or any agreement or instrument executed pursuant thereto; (iii) City's consent to the change, reorganization or termination of the corporate structure or existence of Contractor; (iv) any defenses, set-offs or counterclaims Contractor may allege or assert against City in respect of the Guaranteed Obligations, including but not limited to failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury, except and only to the extent any defenses, set-offs, or counterclaims are actually allowed either by the arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction; and (v) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of Guarantor as an obligor in respect of the Guaranteed Obligations.

(e) The parties hereto specifically agree that, in addition to any and all remedies at law available to the City, the City shall be entitled to the remedy of specific performance of any and all Guaranteed Obligations, and Guarantor specifically agrees that the City shall be entitled to any other remedies incidental to enforcing such specific performance, including, without limitation, the granting of appropriate injunctive relief.

(f) It is the intent of the parties that the Guarantor's liability for the Guaranteed Obligations shall be limited to that of Contractor, and that this instrument shall not impose greater obligations upon the Guarantor than would be owed to the City by Contractor. Any final determination either by an arbitrator pursuant to the Dispute Resolution Provision or by a court of competent jurisdiction with respect to any of the Guaranteed Obligations shall establish the limits of this Guaranty with respect thereto. Nothing in this Section shall affect the enforceability of the Guarantor's waiver of defenses, subrogation rights, and reimbursement rights set forth in Sections 5 and 6.

5. **Waivers.** To the fullest extent permitted by law, Guarantor hereby waives and agrees not to assert or take advantage of: (a) any right to require City to proceed against Contractor or any other Person or to proceed against or exhaust any security held by City at any time or to pursue any right or remedy under any of the Project Documents or any other remedy in City's power before proceeding against Guarantor; (b) any defense that may arise by reason of the incapacity, lack of authority, death or disability of, or revocation hereby by Guarantor, Contractor or any other Person or the failure of City to file or enforce a claim against the estate (either in administration, bankruptcy or any other proceeding) of any such Person; (c) any defense that may arise by reason of any presentment, demand for payment or performance or otherwise, protest or notice of any other kind or lack thereof; (d) any right or defense arising out of an election of remedies by City even though the election of remedies, such as nonjudicial foreclosure with respect to any security for the Guaranteed Obligations, has destroyed the Guarantor's rights of subrogation and reimbursement against Contractor by the operation of Section 580d of the Code of Civil Procedure or otherwise; (e) all notices to Guarantor, to Contractor or to any other Person, including, but not limited to, notices of the acceptance of this Guaranty or the creation, renewal, extension, modification, accrual of any of the obligations of

Contractor under any of the Project Documents, or of default in the payment or performance of any such obligations, enforcement of any right or remedy with respect thereto or notice of any other matters relating thereto; (f) any requirements of diligence or promptness on the part of City; (g) except as specifically provided elsewhere in this Guaranty, any defense arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Contractor or any other Person from any cause other than indefeasible performance in full of the Guaranteed Obligations; (h) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal or which reduces a surety's or guarantor's obligation in proportion to the principal obligation, including, without limitation, all rights and benefits under Section 2809 of the California Civil Code purporting to reduce a guarantor's obligation in proportion to the obligation of the principal; (i) any defense based upon any act or omission of City which directly or indirectly results in or aids the discharge or release of Contractor, Guarantor or any security given or held by City in connection with the Guaranteed Obligations; (j) any and all suretyship defenses under applicable law including, but not limited to, any defense under Sections 2787 through 2855, inclusive, of the California Civil Code; and (k) any statute of limitations affecting Guarantor's liability hereunder or the enforcement thereof.

6. **Waiver of Subrogation and Rights of Reimbursement.** Until the Guaranteed Obligations have been indefeasibly paid in full, Guarantor waives any claim, right or remedy which it may now have or may hereafter acquire against Contractor that arises from the performance of Guarantor hereunder, including, without limitation, any claim, right or remedy of subrogation, reimbursement, exoneration, contribution, or indemnification, or participation in any claim, right or remedy of City against Contractor, or any other security or collateral that City now has or hereafter acquires, whether or not such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise.

7. **Waivers by Guarantor if Real Property Security.** If the Guaranteed Obligations are or become secured by real property or an estate for years, Guarantor waives all rights and defenses that Guarantor may have because the Guaranteed Obligations are secured by real property. This means, among other things:

- (a) City may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Contractor.
- (b) If City forecloses on any real property collateral pledged by Contractor:
 - (1) The amount of the Guaranteed Obligation may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price.
 - (2) City may collect from Guarantor even if City, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Contractor.

This is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because the Guaranteed Obligations secured by real property. These rights and defenses include, but are not limited to, any rights or defenses based upon Section 580a, 580b, 580d, or 726 of the Code of Civil Procedure.

8. **Default; Cumulative Rights.** The City may declare Guarantor in default under this Guaranty for any failure to fully perform and discharge its obligations and liabilities under this Guaranty. Guarantor and the City specifically agree that, in addition to any and all remedies at law or in equity that the City may have, the City shall be entitled to the remedy of specific performance of any of the provisions and obligations to be performed by Guarantor under this Guaranty and that the City shall be entitled to any other provisional remedies incidental to enforcing such specific performance, including, without limitation, the granting of appropriate injunctive relief. All rights, powers and remedies of City hereunder will be in addition to and not in lieu of all other rights, powers and remedies given to City, whether at law, in equity or otherwise.

9. **GUARANTOR'S RELEASE OF THE CITY AND COMMITTED CITIES.** GUARANTOR, FOR ITSELF AND ON BEHALF OF EACH OF ITS SHAREHOLDERS, SUBSIDIARIES, AFFILIATES, AND EACH OF THEIR RESPECTIVE SUCCESSORS AND ASSIGNS, DOES HEREBY RELEASE, HOLD HARMLESS AND FOREVER DISCHARGE THE CITY, EACH MEMBER OF THE CITY GROUP, AND THE COMMITTED CITIES FROM ANY AND ALL LOSSES AND LIABILITIES, IN EACH CASE, OF ANY KIND OR CHARACTER, WHETHER KNOWN OR UNKNOWN, HIDDEN OR CONCEALED, TO THE PERSON OR PROPERTY OF GUARANTOR, ITS SUCCESSORS AND ASSIGNS, RESULTING FROM OR ARISING OUT OF (1) ANY LOSSES TO GUARANTOR ARISING OUT OF THIS GUARANTY; (2) THE PAST, PRESENT, CONTINUED AND FUTURE SCREENING, ACCEPTANCE, DISPOSAL, TREATMENT, SORTING, HANDLING AND PROCESSING BY THE CONTRACTOR GROUP OF WASTE OR OTHER MATERIAL (INCLUDING COMMITTED COUNTY WASTE, COMMITTED CITY WASTE AND SELF-HAUL WASTE) AT OR IN THE LANDFILL OR ANY OTHER OF THE FACILITIES, EXCEPT FOR SCREENING, TREATMENT, OR PROCESSING THAT OCCURRED AT RECYCLETOWN ON THE LANDFILL PRIOR TO THE EFFECTIVE DATE; (3) THE SCREENING, ACCEPTANCE, DISPOSAL, TREATMENT, SORTING, HANDLING AND PROCESSING OF WASTE OR OTHER MATERIAL (INCLUDING COMMITTED COUNTY WASTE, COMMITTED CITY WASTE AND SELF-HAUL WASTE) AT THE TRANSFER STATIONS OCCURRING DURING THE COMMITTED WASTE PERIOD AND ANY CITY FACILITIES OPERATING PERIOD; (4) THE DISPOSAL OF WASTE BY CONTRACTOR COMING FROM THE COUNTY OF SONOMA AT FACILITIES OTHER THAN THE CITY FACILITIES (INCLUDING FACILITIES LOCATED OUTSIDE OF THE COUNTY OF SONOMA BUT EXCLUDING FACILITIES NOT OWNED OR OPERATED BY CONTRACTOR OR ITS PRIME SUBCONTRACTOR); (5) ANY REMEDIATION, CLOSURE AND POST-CLOSURE OBLIGATIONS SET FORTH IN THE AGREEMENT; (6) ANY MATTER OR ITEM INCLUDED WITHIN THE ASSUMED LIABILITIES (BUT EXCLUDING ANY EXCLUDED LIABILITIES); (7) ANY ENVIRONMENTAL CONDITION OR REMEDIATION AT THE TRANSFER STATIONS OCCURRING DURING THE COMMITTED WASTE PERIOD OR COUNTY FACILITIES OPERATIONS PERIOD; (8) ANY ENVIRONMENTAL CONDITION AT THE MATERIALS RECOVERY FACILITY

OCCURRING DURING THE COMMITTED WASTE PERIOD OR THE COUNTY FACILITIES OPERATING PERIOD; OR (9) CONTRACTOR'S INDEMNITIES SET FORTH IN THE MASTER OPERATIONS AGREEMENT.

GUARANTOR HEREBY WAIVES ANY AND ALL RIGHTS AND BENEFITS THAT IT NOW HAS, OR IN THE FUTURE MAY HAVE CONFERRED UPON IT BY VIRTUE OF THE PROVISIONS OF SECTION 1542 OF THE CIVIL CODE OF THE STATE OF CALIFORNIA (OR ANY OTHER STATUTE OR COMMON LAW PRINCIPLES OF SIMILAR EFFECT), WHICH PROVIDES AS FOLLOWS:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

IN THIS CONNECTION, GUARANTOR HEREBY AGREES, REPRESENTS, AND WARRANTS THAT IT REALIZES AND ACKNOWLEDGES THAT FACTUAL MATTERS NOW UNKNOWN TO IT MAY HAVE GIVEN OR MAY HEREAFTER GIVE RISE TO CLAIMS THAT ARE PRESENTLY UNKNOWN, UNANTICIPATED AND UNSUSPECTED, AND IT FURTHER AGREES, REPRESENTS, AND WARRANTS THAT THIS RELEASE HAS BEEN NEGOTIATED AND AGREED UPON IN LIGHT OF THAT REALIZATION AND IT NEVERTHELESS HEREBY INTENDS TO RELEASE THE CITY AND THE COMMITTED CITIES FROM THE LOSSES DESCRIBED IN THIS SECTION 9. Guarantor's Initials _____

Notwithstanding the foregoing, the release set forth herein shall not preclude Guarantor from, and Guarantor hereby expressly reserves its right to, pursue all third parties (which expressly exclude any Entity released hereby) for any matter covered by the release set forth in this Section 9.

10. **Covenant Not to Sue.**

(a) It is expressly intended that neither Guarantor, nor any Entity claiming through Contractor, shall have any rights, claims, remedies or actions against the City and/or the Committed Cities for any matter with respect to which Contractor has provided indemnification under the Agreement, including Section 15.1 thereof, or Contractor or Guarantor has provided a release under the Agreement, including Section 9 of this Guaranty. Notwithstanding the foregoing, Contractor is not assuming any Excluded Liabilities or any liabilities or obligations for any matter covered by the City's indemnities under Article 15 of the Agreement.

(b) Guarantor, for itself and on behalf of each of its members, shareholders, subsidiaries, affiliates, and each of their respective successors and assigns, does hereby covenant

forever and unconditionally not to sue, make any claim or take any action against the City and any of the Committed Cities for any Loss arising out of, relating to (i) any Assumed Liabilities; (ii) any matter with respect to which Contractor has provided indemnification under the Agreement, including Article 15 thereof, or Contractor or Guarantor has provided a release under the Agreement, including Section 9 of this Guaranty; and (iii) facilities other than the Facilities at which Contractor disposes of Waste from the City of Sonoma.

11. **Representations and Warranties**. Guarantor represents and warrants that:

(a) it is a corporation duly organized, validly existing, and in good standing under the laws of the State of Delaware and qualified to do business and is in good standing under the laws of the State of California; it has all requisite corporate power and authority to execute, deliver and perform this Guaranty; the execution, delivery, and performance by Guarantor of this Guaranty have been duly authorized by all necessary corporate action on the part of Guarantor; this Guaranty has been duly executed and delivered and constitutes the legal, valid and binding obligation of Guarantor, enforceable against Guarantor in accordance with its terms; neither the execution nor delivery of this Guaranty nor compliance with or fulfillment of the terms, conditions, and provisions hereof, will conflict with, result in a material breach or violation of the terms, conditions, or provisions of, or constitute a material default, an event of default, or an event creating rights of acceleration, termination, or cancellation, or a loss of rights under (1) the certificate of incorporation or by-laws of Guarantor, (2) any judgment, decree, order, contract, agreement, indenture, instrument, note, mortgage, lease, governmental permit, or other authorization, right restriction, or obligation to which Guarantor is a party or any of its property is subject or by which Guarantor is bound, or (3) any federal, state, or local law, statute, ordinance, rule or regulation applicable to Guarantor; it now has and will continue to have full and complete access to any and all information concerning the transactions contemplated by the Project Documents or referred to therein, and the financial status of Contractor and its ability to perform the Guaranteed Obligations; it has reviewed and approved copies of the Project Documents and is fully informed of the remedies City may pursue, with or without notice to Contractor or any other Person, in the event of default of any of the Guaranteed Obligations; it has made and so long as the Guaranteed Obligations (or any portion thereof) remain unsatisfied, it will make its own credit analysis of Contractor and will keep itself fully informed as to all aspects of the financial condition of Contractor, the performance of the Guaranteed Obligations of all circumstances bearing upon the risk of nonpayment or nonperformance of the Guaranteed Obligations. Guarantor hereby waives and relinquishes any duty on the part of City to disclose any matter, fact or thing relating to the business, operations or conditions of Contractor now known or hereafter known by City; no consent, authorization, approval, order, license, certificate, or permit or act of or from, or declaration or filing with, any governmental authority or any party to any contract, agreement, instrument, lease, or license to which Guarantor is a party or by which Guarantor is bound, is required for the execution, delivery, or compliance with the terms hereof by Guarantor, except as have been obtained prior to the date hereof; and there is no pending or, to the best of its knowledge, threatened action, suit, proceeding, arbitration, litigation, or investigation of or before any Governmental Authority which challenges the validity or enforceability of this Guaranty. **Governing Law**. The validity, interpretation and effect of this Guaranty are governed by and will be construed in accordance with the laws of the State of California applicable to contracts made and performed in such State and without regard to conflicts of law doctrines.

13. **Entire Document.** This Guaranty contains the entire agreement of Guarantor with respect to the transactions contemplated hereby, and supersede all negotiations, representations, warranties, commitments, offers, contracts and writings prior to the date hereof, written or oral, with respect to the subject matter hereof. No waiver, modification or amendment of any provision of this Guaranty is effective unless made in writing and duly signed by City referring specifically to this Guaranty, and then only to the specific purpose, extent and interest so provided.

14. **Severability.** If any provision of this Guaranty is determined to be unenforceable for any reason by a court of competent jurisdiction, it will be adjusted rather than voided, to achieve the intent of the parties and all of the provisions not deemed unenforceable will be deemed valid and enforceable to the greatest extent possible.

15. **Notices.** Any communication, notice or demand of any kind whatsoever under this Guaranty shall be in writing and delivered by personal service (including express or courier service), by electronic communication, whether by telex, telegram or telecopying (if confirmed in writing sent by registered or certified mail, postage prepaid, return receipt requested), or by registered or certified mail, postage prepaid, return receipt requested, addressed as follows:

16. **Captions.** The captions of the various Sections of this Guaranty have been inserted only for convenience of reference and do not modify, explain, enlarge or restrict any of the provisions of this Guaranty.

17. **Assignability.** This Guaranty is binding upon and inures to the benefit of the successors and assigns of Guarantor and City, but is not assignable by Guarantor without the prior written consent of City, which consent may be granted or withheld in City's sole discretion. City has the right to assign this Guaranty to an Affiliate of City without obtaining any further consent from Guarantor. Any assignment by Guarantor effected in accordance with this Section 17 will not relieve Guarantor of its obligations and liabilities under this Guaranty. The sale or other disposition of a majority in interest of the shares of Guarantor or the sale, transfer, or disposition (including by merger) of substantially all of the assets of Guarantor shall be deemed an assignment of this Guaranty subject to consent as required herein.

18. **Construction of Agreement.** Ambiguities or uncertainties in the wording of this Guaranty will not be construed for or against any party, but will be construed in the manner that most accurately reflects the parties' intent as of the date hereof.

19. **No Waiver.** Any forbearance or failure to exercise, and any delay by City in exercising, any right, power or remedy hereunder will not impair any such right, power or remedy or be construed to be a waiver thereof, nor will it preclude the further exercise of any such right, power or remedy.

20. **Bankruptcy; Post-Petition Interest; Reinstatement of Guaranty.**

(a) The obligations of Guarantor under this Guaranty will not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Contractor or by any defense which Contractor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding. City is not obligated to file any claim relating to the Guaranteed Obligations if Contractor becomes subject to a bankruptcy, reorganization, or similar proceeding, and the failure of City so to file will not affect Guarantor's obligations under this Guaranty.

(b) Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of said proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if said proceedings had not been commenced) will be included in the Guaranteed Obligations because it is the intention of Guarantor and City that the Guaranteed Obligations should be determined without regard to any rule of law or order which may relieve Contractor of any portion of such Guaranteed Obligations. Guarantor will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or any similar person to pay City, or allow the claim of City in respect of, any such interest accruing after the date on which such proceeding is commenced.

21. **Attorneys' Fees.** Should any litigation be commenced under this Guaranty, the successful party in such litigation shall be entitled to recover, in addition to such other relief as the court may award, its reasonable attorneys' fees, expert witness fees, litigation related expenses, and court or other costs incurred in such litigation. For purposes of this clause, the term "successful party" means the net winner of the dispute, taking into account the claims pursued, the claims on which the pursuing party was successful, the amount of money sought, the amount of money awarded, and offsets or counterclaims pursued (successfully or unsuccessfully) by the other party. If a written settlement offer is rejected and the judgment or award finally obtained is equal to or more favorable to the offeror than an offer made in writing to settle, the offeror is deemed to be the successful party from the date of the offer forward.

22. **CONSENT TO JURISDICTION.** GUARANTOR AND THE CITY AGREE THAT ANY ACTION OR PROCEEDING TO RESOLVE A DISPUTE BETWEEN GUARANTOR AND CITY CONCERNING THE INTERPRETATION, APPLICATION OR ENFORCEMENT OF THE TERMS OF THIS GUARANTY MAY ONLY BE BROUGHT IN SUPERIOR COURT FOR THE COUNTY OF SONOMA OR U.S. DISTRICT COURT FOR THE NORTHERN DISTRICT OF CALIFORNIA. EACH OF GUARANTOR AND CITY ACCEPTS FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE JURISDICTION OF THE AFORESAID COURTS AND WAIVES ANY DEFENSE OF FORUM NON CONVENIENS. IF NOT A RESIDENT OF THE STATE OF CALIFORNIA, GUARANTOR MUST APPOINT AND MAINTAIN AN AGENT FOR SERVICE OF PROCESS IN THE STATE OF CALIFORNIA.

23. **Committed Cities.** Each Committed City shall be an express third party beneficiary under this Guaranty as to the Guaranteed Obligations relating to their respective City Disposal Agreements and shall be individually entitled to enforce the terms hereof against Guarantor.

IN WITNESS WHEREOF, Guarantor has executed this Guaranty as of the date first written above.

EXHIBIT G

Sonoma County Committed Cities' Contingency Liability Fund Agreement

This Agreement is entered into by the Cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol and Sonoma, and the Town of Windsor (collectively, the "Committed Cities").

Recitals:

WHEREAS, historically, municipal solid waste from throughout Sonoma County was deposited at the Central Disposal Site and one or more of the Former Landfills. Environmental liabilities exist for both the Central Disposal Site and the Former Landfills. Sonoma County has taken the position that the cities within the County are liable for their share of the costs to address the environmental liabilities associated with the Central Disposal Site and the Former Landfills. The Committed Cities dispute their individual responsibility for these alleged environmental liabilities and have taken the position that the County is responsible for such liabilities as the owner and operator of the Central Disposal Site and the Former Landfills. Notwithstanding the foregoing, the Committed Cities have entered into a Settlement Agreement, the "Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities" ("Settlement Agreement"), to resolve their disputes with the County and avoid the significant time and expense associated with resolving their disputes through litigation; and.

WHEREAS, The County, on April 23, 2013, entered into a Master Operations Agreement with Republic Services of Sonoma County ("Republic") whereby Republic will operate the Central Disposal Site, and, upon the exhaustion of its capacity, will close the site and assume all responsibility for environmental liabilities on the site and release the Committed Cities from and indemnify the Committed Cities against all environmental liabilities associated with the Central Disposal Site in perpetuity, with the exception of liabilities (a) associated with other operators at the Central Disposal Site who are not under the control of, or in contract with, Republic (e.g., compost facility and household hazardous waste facility) and (b) related to facts and events pertaining to the Central Disposal Site and arising after the effective date of the Waste Delivery Agreement between the Committed Cities and Republic. Republic has also provided a parent guarantee and posted bonds as required by the State of California and the County for performance of its obligations under the Master Operations Agreement; and.

WHEREAS, The Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities provides, in general, that the Committed Cities commit their solid waste to the Central Disposal Site and pay Base Concession Payments on each ton thereof that go to the County as part of the costs of disposal at the Central Disposal Site to be used for closure and post closure costs at the Former Urban Landfills and/or Central Disposal Site in addition to LEAK funds and other reserves previously established for this purpose; and

WHEREAS, the County agrees to release and indemnify the Committed Cities for environmental liabilities for the Former Rural Landfills and has agreed to a covenant not to sue on the Former Urban Landfills; however, the County is not granting the Committed Cities a release nor indemnifying the Committed Cities for any liabilities associated with the Central Disposal Site or the Former Urban Landfills. Thus, if Republic should default on its obligations and the County has insufficient funds and has been unable to recover from Republic, its parent corporation or its sureties sufficient funds to satisfy the environmental liabilities of the Central Disposal Site, then the County may pursue the Committed Cities for their alleged shares of that environmental liability; and

WHEREAS, the Committed Cities desire to each accumulate a fund entirely under the control of the Committed Cities to protect themselves and their rate payers against such contingent liability and against any other source of unanticipated environmental liability for solid waste disposal. The County has agreed to collect and hold, in addition to the Base Concession Payment, a fee of up to \$5 per ton, adjusted in accordance with the Settlement Agreement and this Agreement, to be designated as the "Committed Cities Contingent Liability Fund" (sometimes "CCCL Fund"), described in the Central Disposal Site and Former Landfills Settlement Agreement. This Agreement is solely between the Committed Cities and governs the setting of the fee, expenditures from the Committed Cities Contingent Liability Fund and the termination of the Committed Cities Contingent Liability Fund.

Now, therefore, the parties agree as follows:

AGREEMENT

1. Definitions.

Except as otherwise provided for herein, the definitions of capitalized terms in this Agreement shall have the same meaning as provided for in the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities which definitions are incorporated herein by reference.

2. Recitals.

The Recitals, above, are true and are incorporated into this Agreement.

3. Governance of the Fund.

3.1. Committed Cities' Representatives.

Each Committed City shall designate a representative to speak for and act on behalf of that Committed City with regard to decisions related to the Committed Cities Contingent Liability Fund. That representative shall be conclusively presumed to have

the actual authority to speak for and act on behalf of his or her Committed City unless and until each of the other committed Cities have been given written notice of a limitation on that representative's authority, the revocation of that representative's authority or the appointment of a different representative. The initial representative of each Committed City shall be its City Manager.

3.2. Voting.

A. Voting Power.

Each committed City shall have one vote on any matter related to the Committed Cities Contingent Liability Fund.

B. Supermajority Votes Required.

The following decisions shall require the assent of at least seven of the eight Committed Cities subject to the provisions set forth in Section 4:

- Changing the amount of the fee to be charged and collected by Republic on each ton of Committed City waste and paid to the County to be held in the Committed Cities Contingent Liability Fund. This does not apply to the automatic adjustments to the fee under the Master Operations Agreement and the Central Disposal Site and Former Landfills Settlement Agreement. The parties agree that the initial amount of the fee to be collected shall be \$5.00 per ton.
- Reduction or increase in the amount of the Committed Cities Contingent Liability Fund surcharge.
- The termination of the CCCL Fund. Provided however that any individual Committed City or Cities may request the County and/or Republic to continue to collect funds on its behalf.

C. Unanimous Vote.

The Committed Cities may unanimously agree to such other disbursements from the Committed Cities Contingent Liability Fund for purposes identified in this agreement for the hiring of consultants, hiring of legal counsel or payment of any claims asserting Environmental Liability against the Committed Cities.

Any Committed City may call for a meeting as set forth below to discuss any interim disbursement from the Committed Cities Contingent Liability Fund.

3.3. Meetings.

A. Calling Meetings.

Any Committed City may call a meeting of the Committed Cities by giving at least 30 days' written notice to all of the representatives of the Committed Cities of the date, time and place of the meeting. Prior to calling such a meeting, the Committed City calling the meeting must consult with the representatives of the other Committed Cities to ascertain their availability to attend the meeting. Representatives may attend meetings by teleconference or video conference as long as those attending remotely may hear those present and those present may hear those attending remotely. Noticing of such meeting shall comply with the Ralph M. Brown Act if applicable.

B. Quorum.

Representatives of six or more of the Committed Cities attending a meeting in person or remotely shall be a quorum. Proxy votes are not permitted.

C. Chairing the Meeting.

The representative who called the meeting shall act as Chair of the meeting.

3.4. Secretary.

The Committed Cities shall choose one of their representatives to act as Secretary. It shall be the responsibility of the Secretary to take and keep minutes of each meeting, to keep in the minute book copies of Actions in Writing, and to keep records of each Committed City's reports of fees paid into the committed Cities Contingent Liability Fund as required by section 4.1, below. The Secretary shall serve until resignation, election of a new secretary, or removal of the Secretary as representative of his or her Committed City.

4. Shares of the Fund.

4.1. Determination of Each City's Share.

Each Committed City shall have a share of the Committed Cities Contingent Liability Fund equal to the proportion of the fees paid into the CCCL Fund from each Committed City's solid waste deliveries to the Central Disposal Site. The Committed Cities shall be provided with an annual accounting by the County of the amount and proportion of fees allocated to each Committed City.

4.2. Disbursement of Each City's Share.

Upon the termination of the CCCL Fund, the money in the CCCL Fund shall be disbursed among the Committed Cities in proportion to each City's share. If, during the life of the CCCL Fund, any disbursements or expenditures are made for the benefit of fewer than all of the Committed Cities, the disbursements shall be credited against the share in the CCCL Fund of each City which was disbursed said funds, and, on the termination of the CCCL Fund, only each Committed Cities' remaining share, if any, shall be distributed to each Committed City.

No City's share of funds shall be disbursed without that City's consent to distribution or payment from its share of the CCCL Fund. If other cities elect to terminate this Agreement, any Committed City or group of Committed Cities shall have the right to request the County to continue to collect fees on behalf of that jurisdiction (or on behalf of those jurisdictions) on its or their Committed Waste.

5. Uses of the Fund.

The Committed Cities Contingent Liability Fund and the money therein may be used only for the benefit of the Committed Cities' solid waste ratepayers. Whether a use is for the benefit of the Committed Cities' solid waste ratepayers is entirely within the reasonable discretion of the Committed Cities and their representatives to the CCCL Fund.

6. Notices.

All notices given pursuant to this Agreement or involving the Committed Cities Contingent Liability Fund shall be in writing, and shall be delivered in person, transmitted by email, facsimile, certified mail or recognized courier service (such as Federal Express or UPS). Notices shall be effective upon delivery at the address provided for each representative of each Committed City as confirmed by reply email, electronic confirmation of facsimile delivery, certified mail receipt or on-line tracking data. The initial addresses for notices are set forth below the signature lines for each Committed City, and may be changed by giving notice as provided in this section.

7. Dispute Resolution.

Any dispute among the Committed Cities or any of them involving the Committed Cities Contingent Liability Fund shall be subject to binding arbitration as provided in section 10.3 of the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities.

8. Miscellaneous.

8.1. Severability.

EXHIBIT C

Sonoma County Committed Cities' Contingency Liability Fund Agreement

This Agreement is entered into by the Cities of Cloverdale, Cotati, Healdsburg, Rohnert Park, Santa Rosa, Sebastopol and Sonoma, and the Town of Windsor (collectively, the "Committed Cities").

Recitals:

WHEREAS, historically, municipal solid waste from throughout Sonoma County was deposited at the Central Disposal Site and one or more of the Former Landfills. Environmental liabilities exist for both the Central Disposal Site and the Former Landfills. Sonoma County has taken the position that the cities within the County are liable for their share of the costs to address the environmental liabilities associated with the Central Disposal Site and the Former Landfills. The Committed Cities dispute their individual responsibility for these alleged environmental liabilities and have taken the position that the County is responsible for such liabilities as the owner and operator of the Central Disposal Site and the Former Landfills. Notwithstanding the foregoing, the Committed Cities have entered into a Settlement Agreement, the "Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities" ("Settlement Agreement"), to resolve their disputes with the County and avoid the significant time and expense associated with resolving their disputes through litigation; and.

WHEREAS, The County, on April 23, 2013, entered into a Master Operations Agreement with Republic Services of Sonoma County ("Republic") whereby Republic will operate the Central Disposal Site, and, upon the exhaustion of its capacity, will close the site and assume all responsibility for environmental liabilities on the site and release the Committed Cities from and indemnify the Committed Cities against all environmental liabilities associated with the Central Disposal Site in perpetuity, with the exception of liabilities (a) associated with other operators at the Central Disposal Site who are not under the control of, or in contract with, Republic (e.g., compost facility and household hazardous waste facility) and (b) related to facts and events pertaining to the Central Disposal Site and arising after the effective date of the Waste Delivery Agreement between the Committed Cities and Republic. Republic has also provided a parent guarantee and posted bonds as required by the State of California and the County for performance of its obligations under the Master Operations Agreement; and.

WHEREAS, The Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities provides, in general, that the Committed Cities commit their solid waste to the Central Disposal Site and pay Base Concession Payments on each ton thereof that go to the County as part of the costs of disposal at the Central Disposal Site to be used for closure and post closure costs at the Former Urban Landfills and/or Central Disposal Site in addition to LEAK funds and other reserves previously established for this purpose; and

WHEREAS, the County agrees to release and indemnify the Committed Cities for environmental liabilities for the Former Rural Landfills and has agreed to a covenant not to sue on the Former Urban Landfills; however, the County is not granting the Committed Cities a release nor indemnifying the Committed Cities for any liabilities associated with the Central Disposal Site or the Former Urban Landfills. Thus, if Republic should default on its obligations and the County has insufficient funds and has been unable to recover from Republic, its parent corporation or its sureties sufficient funds to satisfy the environmental liabilities of the Central Disposal Site, then the County may pursue the Committed Cities for their alleged shares of that environmental liability; and

WHEREAS, the Committed Cities desire to each accumulate a fund entirely under the control of the Committed Cities to protect themselves and their rate payers against such contingent liability and against any other source of unanticipated environmental liability for solid waste disposal. The County has agreed to collect and hold, in addition to the Base Concession Payment, a fee of up to \$5 per ton, adjusted in accordance with the Settlement Agreement and this Agreement, to be designated as the "Committed Cities Contingent Liability Fund" (sometimes "CCCL Fund"), described in the Central Disposal Site and Former Landfills Settlement Agreement. This Agreement is solely between the Committed Cities and governs the setting of the fee, expenditures from the Committed Cities Contingent Liability Fund and the termination of the Committed Cities Contingent Liability Fund.

Now, therefore, the parties agree as follows:

AGREEMENT

1. Definitions.

Except as otherwise provided for herein, the definitions of capitalized terms in this Agreement shall have the same meaning as provided for in the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities which definitions are incorporated herein by reference.

2. Recitals.

The Recitals, above, are true and are incorporated into this Agreement.

3. Governance of the Fund.

3.1. Committed Cities' Representatives.

Each Committed City shall designate a representative to speak for and act on behalf of that Committed City with regard to decisions related to the Committed Cities Contingent Liability Fund. That representative shall be conclusively presumed to have

the actual authority to speak for and act on behalf of his or her Committed City unless and until each of the other committed Cities have been given written notice of a limitation on that representative's authority, the revocation of that representative's authority or the appointment of a different representative. The initial representative of each Committed City shall be its City Manager.

3.2. Voting.

A. Voting Power.

Each committed City shall have one vote on any matter related to the Committed Cities Contingent Liability Fund.

B. Supermajority Votes Required.

The following decisions shall require the assent of at least seven of the eight Committed Cities subject to the provisions set forth in Section 4:

- Changing the amount of the fee to be charged and collected by Republic on each ton of Committed City waste and paid to the County to be held in the Committed Cities Contingent Liability Fund. This does not apply to the automatic adjustments to the fee under the Master Operations Agreement and the Central Disposal Site and Former Landfills Settlement Agreement. The parties agree that the initial amount of the fee to be collected shall be \$5.00 per ton.
- Reduction or increase in the amount of the Committed Cities Contingent Liability Fund surcharge.
- The termination of the CCCL Fund. Provided however that any individual Committed City or Cities may request the County and/or Republic to continue to collect funds on its behalf.

C. Unanimous Vote.

The Committed Cities may unanimously agree to such other disbursements from the Committed Cities Contingent Liability Fund for purposes identified in this agreement for the hiring of consultants, hiring of legal counsel or payment of any claims asserting Environmental Liability against the Committed Cities.

Any Committed City may call for a meeting as set forth below to discuss any interim disbursement from the Committed Cities Contingent Liability Fund.

3.3. Meetings.

A. Calling Meetings.

Any Committed City may call a meeting of the Committed Cities by giving at least 30 days' written notice to all of the representatives of the Committed Cities of the date, time and place of the meeting. Prior to calling such a meeting, the Committed City calling the meeting must consult with the representatives of the other Committed Cities to ascertain their availability to attend the meeting. Representatives may attend meetings by teleconference or video conference as long as those attending remotely may hear those present and those present may hear those attending remotely. Noticing of such meeting shall comply with the Ralph M. Brown Act if applicable.

B. Quorum.

Representatives of six or more of the Committed Cities attending a meeting in person or remotely shall be a quorum. Proxy votes are not permitted.

C. Chairing the Meeting.

The representative who called the meeting shall act as Chair of the meeting.

3.4. Secretary.

The Committed Cities shall choose one of their representatives to act as Secretary. It shall be the responsibility of the Secretary to take and keep minutes of each meeting, to keep in the minute book copies of Actions in Writing, and to keep records of each Committed City's reports of fees paid into the committed Cities Contingent Liability Fund as required by section 4.1, below. The Secretary shall serve until resignation, election of a new secretary, or removal of the Secretary as representative of his or her Committed City.

4. Shares of the Fund.

4.1. Determination of Each City's Share.

Each Committed City shall have a share of the Committed Cities Contingent Liability Fund equal to the proportion of the fees paid into the CCCL Fund from each Committed City's solid waste deliveries to the Central Disposal Site. The Committed Cities shall be provided with an annual accounting by the County of the amount and proportion of fees allocated to each Committed City.

4.2. Disbursement of Each City's Share.

Upon the termination of the CCCL Fund, the money in the CCCL Fund shall be disbursed among the Committed Cities in proportion to each City's share. If, during the life of the CCCL Fund, any disbursements or expenditures are made for the benefit of fewer than all of the Committed Cities, the disbursements shall be credited against the share in the CCCL Fund of each City which was disbursed said funds, and, on the termination of the CCCL Fund, only each Committed Cities' remaining share, if any, shall be distributed to each Committed City.

No City's share of funds shall be disbursed without that City's consent to distribution or payment from its share of the CCCL Fund. If other cities elect to terminate this Agreement, any Committed City or group of Committed Cities shall have the right to request the County to continue to collect fees on behalf of that jurisdiction (or on behalf of those jurisdictions) on its or their Committed Waste.

5. Uses of the Fund.

The Committed Cities Contingent Liability Fund and the money therein may be used only for the benefit of the Committed Cities' solid waste ratepayers. Whether a use is for the benefit of the Committed Cities' solid waste ratepayers is entirely within the reasonable discretion of the Committed Cities and their representatives to the CCCL Fund.

6. Notices.

All notices given pursuant to this Agreement or involving the Committed Cities Contingent Liability Fund shall be in writing, and shall be delivered in person, transmitted by email, facsimile, certified mail or recognized courier service (such as Federal Express or UPS). Notices shall be effective upon delivery at the address provided for each representative of each Committed City as confirmed by reply email, electronic confirmation of facsimile delivery, certified mail receipt or on-line tracking data. The initial addresses for notices are set forth below the signature lines for each Committed City, and may be changed by giving notice as provided in this section.

7. Dispute Resolution.

Any dispute among the Committed Cities or any of them involving the Committed Cities Contingent Liability Fund shall be subject to binding arbitration as provided in section 10.3 of the Central Disposal Site and Former Landfills Settlement Agreement between the County of Sonoma and the Committed Cities.

8. Miscellaneous.

8.1. Severability.

If any provision of this Agreement or application thereof to any person, Party or circumstance shall to any extent be invalid or unenforceable, the remainder of this Agreement or the application of such provision to any person, Party or circumstance other than those as to which it is held invalid or unenforceable shall not be affected thereby and each remaining provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

8.2. Amendment and Modification.

This Agreement may be modified only upon written agreement of the Committed Cities.

8.3 Integration.

This Agreement contains the entire understanding of the parties and constitutes the sole and only agreement between them concerning the subject matter hereof or the rights and duties of any of them in connection therewith. Any agreements or representations among the parties hereto, regarding said subject matter not expressly set forth in this Agreement are null and void.
