

RESOLUTION NO. 2015-189

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ROHNERT PARK
ENDORING AND PRIORITIZING THE CITY OF ROHNERT PARK
ADA TRANSITION PLAN AND IMPLEMENTATION PROJECT AND THE
LAGUNA BIKE AND PEDESTRIAN BRIDGE APPROACH ADA BARRIER REMOVAL
FOR FY 2016-2017 COMMUNITY DEVELOPMENT BLOCK GRANT
FUNDING APPLICATION**

WHEREAS, the Community Development Block Grant (“CDBG”) program was created to develop viable communities through the provision of decent housing, a suitable living environment and the expansion of economic opportunities, primarily for lower income persons;

WHEREAS, City of Rohnert Park staff have identified two projects -- the City of Rohnert Park ADA Transition Plan and Implementation Project (“ADA Transition Plan”) and the Laguna Bike and Pedestrian Bridge Approach ADA Barrier Removal (“Laguna Bridge ADA Project”) – to meet the goals of the CDBG program, including “eliminating blighting influences and the deterioration of property and facilities; increasing access to quality public and private facilities and services...” as stated in the *Sonoma County Community Development Commission 2016-17 Funding Policies, Sec. II: Funding Goals and Objectives*;

WHEREAS, City staff have prepared two applications requesting grant funding from the FY 2016-2017 Sonoma County Community Development CDBG Program for the ADA Transition Plan and Laguna Bridge ADA Project;

WHEREAS, the Sonoma County Community Development Commission (“SCCDC”) as the designated local administrative body for the CDBG Program requires that a municipality submitting CDBG program funding applications must include a City/Town Council Resolution endorsing projects for which CDBG funding is being pursued;

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Rohnert Park that it does hereby endorse and prioritize in order, the following projects for requests of funding from the FY 2016/2017 Sonoma County Community Development CDBG Program:

- (1) City of Rohnert Park ADA Transition Plan and Implementation, and
- (2) Laguna Bike and Pedestrian Bridge Approach ADA Barrier Removal.

BE IT FURTHER RESOLVED that the City Council approves the attached applications (Exhibits A and B) for CDBG funds and authorizes the City Manager or his designee to submit the application in substantially similar form and adjust the funding request based on any new information that may be submitted prior to the decision of the Sonoma County Board of Supervisors.

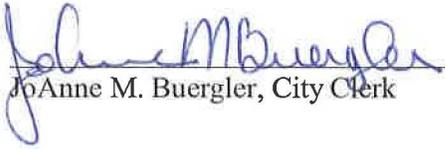

DULY AND REGULARLY ADOPTED this 8th day of December, 2015.

CITY OF ROHNERT PARK

Amy O. Ahanotu, Mayor

ATTEST:

JoAnne M. Buergler, City Clerk

PART I

Summary Project or Program Description:

This section will be incorporated into the staff reports provided to the Community Development Committee, the Technical Advisory Committee and the Board of Supervisors.

Descriptions MUST BE 125 words or less. The description will not be edited and will be truncated at 125 words.

The ADA Transition Plan and Implementation Project is a multi-year phased project to assess City facilities and identify architectural barriers limiting accessibility as defined in the 2013 California Building Code Chapter 11B and July 1, 2015 Supplement, 2010 Federal ADA Standards for Accessible Design, and Accessibility Guidelines for Outdoor Developed Areas in the Architectural Barriers Act (as applicable for outdoor spaces); develop concept solutions and planning level cost estimates for each barrier removal project; create a prioritized project list; conduct NEPA environmental documentation and clearance; and implement projects as funding is available. The ADA Transition Plan and Implementation Project will also address barriers in public rights-of-way adjacent to City facilities and schools within City limits.

PART II
PROJECT TYPE

Answer only ONE of the following four questions below based on the project type:

1. Facilities (ADA Restroom retrofit, New facilities, Improvements, Capital renovation)

Project Street Address: (see Table 1 below for locations to be assessed in ADA Transition Plan)

Assessors Parcel Number: (see Table 1) Census Tract: (see Table 1)

Is project in the 100 year flood plain? (see Table 1)

Please list the FEMA FIRM panel number: (see Table 1)

Is the project, or any part of it, located within the limits of any city? All locations are within city limits

If yes, which city? Rohnert Park

Status of Site Control: Identify the form of site control (whether ownership, lease, or option agreement) Can site acquisition be obtained within 12 months?

All locations in Table 1 are owned by the City of Rohnert Park.

Attach a copy of Site Control:

If applying for funds to acquire the site, attach a copy of a current appraisal, if available*

* The appraised value must fully secure the Commission's loan(s). In addition, the total purchase price may not exceed the "reasonable cost" for the property.

2. For ADA Sidewalk/ curb cut projects
Address location of Sidewalk _____
Census Tract: _____
Number of curb cuts anticipated _____
If project will involve more than the installation of curb cuts, please describe. _____
3. Housing Rehabilitation projects: Indicate the number of units to be assisted: N/A
4. Infrastructure:
Provide all Census block groups for service area:

Answer ALL of the following questions regardless of project type

5. Status of any environmental review.
Environmental review has neither been performed for the ADA Transition Plan document itself, nor for the projects (which are yet to be created from the ADA Transition Plan assessments).
6. What is the status of land use, building permits or other approvals? N/A
 - a. Attach a certification of the project's consistency with the applicable General Plan, signed by an authorized representative of the jurisdiction in which the project is located. (Housing Rehabilitation projects excluded)
 - b. Explain any land use (zoning, lot split, set back, or environmental) constraints that must be resolved prior to proceeding with the project.
None anticipated.
7. Provide detail if the project will involve the demolition of any structure or the relocation of any persons or businesses.

The facility and public right-of-way assessments, project concepts, planning level estimates and which are part of the ADA Transition Plan itself, and environmental documentation /clearance of ADA Transition Plan projects will not involve demolitions or relocations. Barrier removal projects that are later constructed as part of the overall multi-year phased ADA Transition Plan and Implementation may involve demolition, but the specific construction work as is not yet specifically identified.
8. Describe your "green" building practices and anticipated certifications (e.g. LEED Certifications). N/A
 - a. Please attach the green score assessment provided by the jurisdiction where the project is located. If jurisdiction has no adopted green policies please refer the CDC funding policies, Section IV. I. *Green Building Guidelines*, for further direction.

PART I

Summary Project or Program Description:

This section will be incorporated into the staff reports provided to the Community Development Committee, the Technical Advisory Committee and the Board of Supervisors.

Descriptions MUST BE 125 words or less. The description will not be edited and will be truncated at 125 words.

Removal of architectural barriers at east and west approaches of the Laguna Bicycle and Pedestrian Bridge located approximately 270' NW of Commerce Boulevard, Southwest Boulevard and Old Redwood Highway where the Commerce Boulevard Bike Path crosses the Laguna Channel. Proposed project includes design, engineering and construction. Construction includes compaction grout and concrete work, asphalt path and landscape restoration, signage and other ADA upgrades as needed.

PART II
PROJECT TYPE

Answer only ONE of the following four questions below based on the project type:

1. Facilities (ADA Restroom retrofit, New facilities, Improvements, Capital renovation)

Project Street Address: (No street address. Location is 270' NE of intersection of Commerce Boulevard, Southwest Boulevard and Old Redwood Highway)

Assessors Parcel Number: 143-001-003, 143-001-004 Census Tract: 1513.06, 1512.04

Is project in the 100 year flood plain? Yes

Please list the FEMA FIRM panel number: 06097C0879E

Is the project, or any part of it, located within the limits of any city? Yes

If yes, which city? East approach to bridge is City of Rohnert Park. West approach to bridge is in the City of Cotati.

Status of Site Control: Identify the form of site control (whether ownership, lease, or option agreement) Can site acquisition be obtained within 12 months?

No site acquisition will be needed. An encroachment permit will be obtained for the work on the City of Cotati parcel east of the bridge.

Attach a copy of Site Control:

If applying for funds to acquire the site, attach a copy of a current appraisal, if available*

* The appraised value must fully secure the Commission's loan(s). In addition, the total purchase price may not exceed the "reasonable cost" for the property.

2. For ADA Sidewalk/ curb cut projects

Address location of Sidewalk _____

Census Tract: _____

Number of curb cuts anticipated _____
If project will involve more than the installation of curb cuts, please describe. _____

3. Housing Rehabilitation projects: Indicate the number of units to be assisted: _____

4. Infrastructure:
Provide all Census block groups for service area:
1512.04 Block 2000, 1513.06 Block 3001

Answer ALL of the following questions regardless of project type

5. Status of any environmental review.
No environmental review has been conducted yet for this project.

6. What is the status of land use, building permits or other approvals? No land use approvals have been obtained or will be needed. An encroachment permit will be obtained for the work on the City of Cotati parcel east of the bridge. The bridge approach on the west side is on a City of Rohnert Park parcel.

- a. Attach a certification of the project’s consistency with the applicable General Plan, signed by an authorized representative of the jurisdiction in which the project is located. (Housing Rehabilitation projects excluded)
- b. Explain any land use (zoning, lot split, set back, or environmental) constraints that must be resolved prior to proceeding with the project.
None

7. Provide detail if the project will involve the demolition of any structure or the relocation of any persons or businesses.

No demolition or relocation will be required.

8. Describe your “green” building practices and anticipated certifications (e.g. LEED Certifications). _____

- a. Please attach the green score assessment provided by the jurisdiction where the project is located. If jurisdiction has no adopted green policies please refer the CDC funding policies, Section IV. I. *Green Building Guidelines*, for further direction.

9. List anticipated target date for each of the major milestones below.

Major Milestones

Target Completion Date

Environmental Review

September 2016

Site Control

(No site control activities are needed.)

Design Completion

December 2016

Bid Period Closes

February 2017

Construction Begins

April 2017

Construction Complete

June 2017

Notice of Completion

July 2017

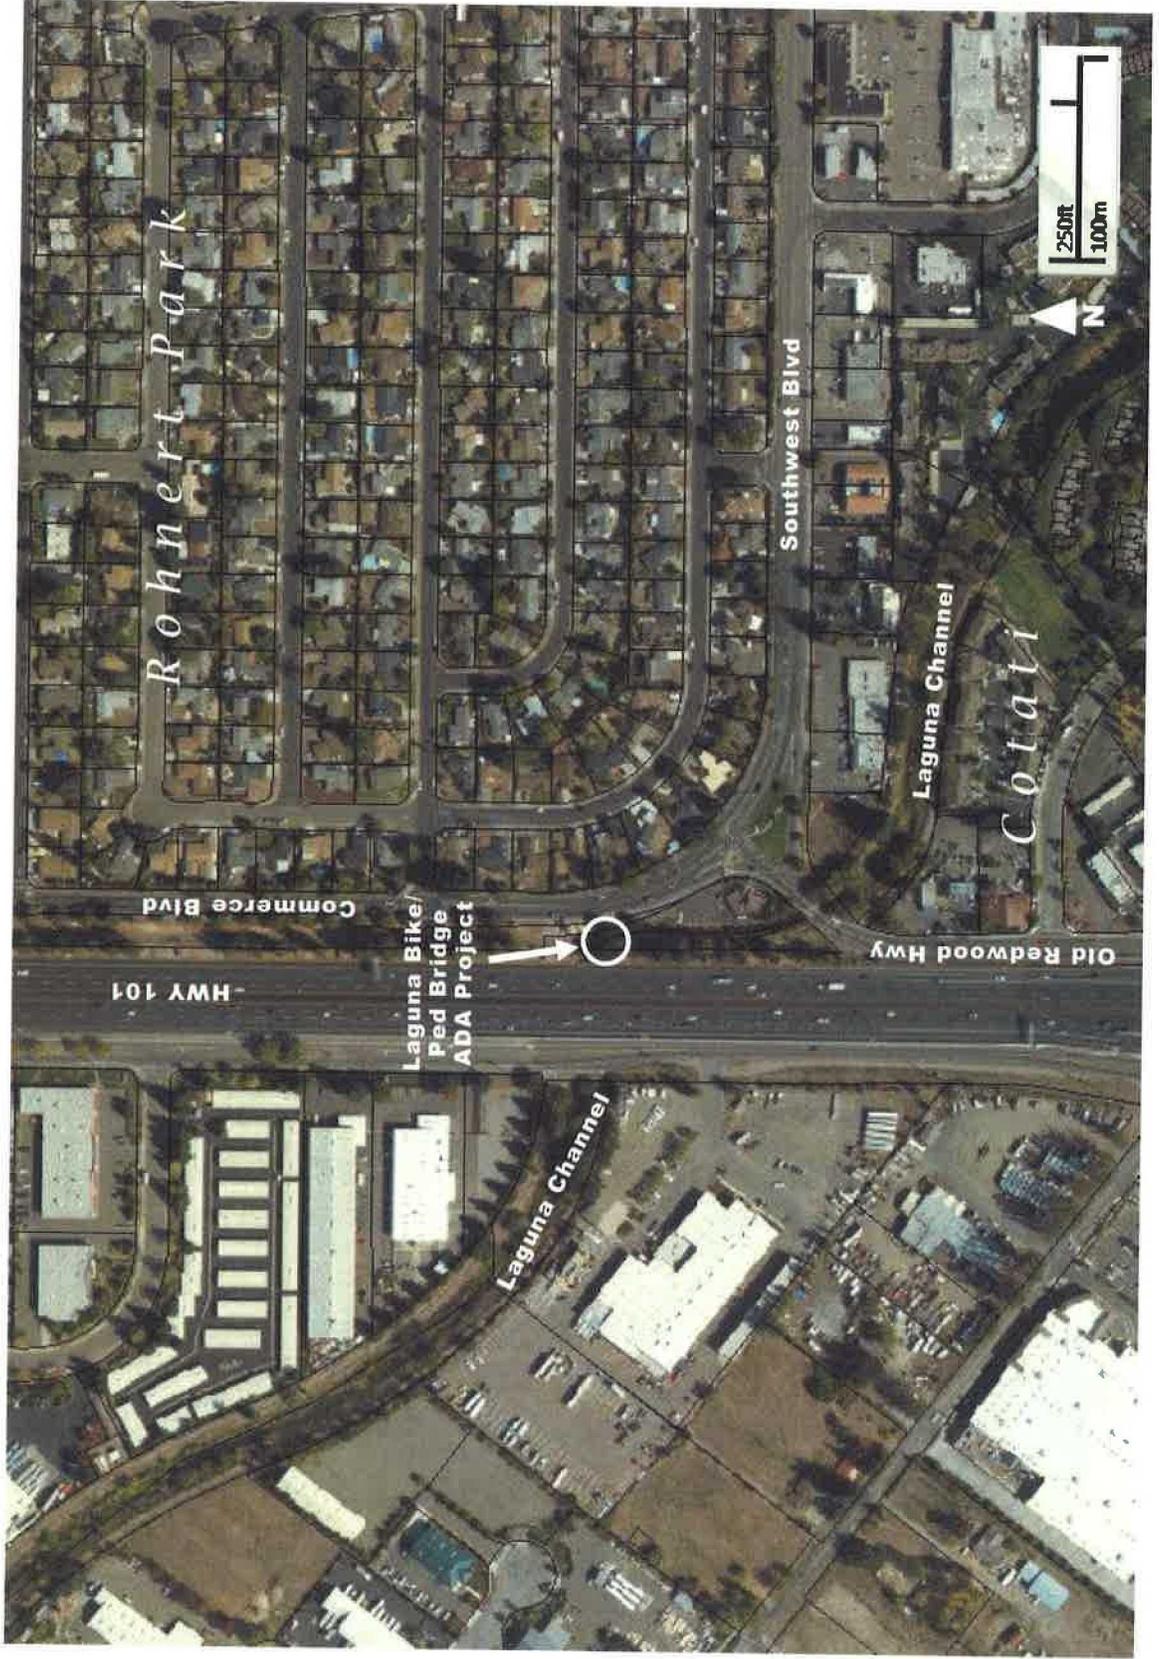

PART III

SOURCES and USES

Sources of Funds:	Donations	Loans	Grants	In Kind	TOTALS
Gas Tax	\$	\$	\$	\$10,000	\$10,000
