**RESOLUTION APPROVING AND ADOPTING THE PLANS AND  
SPECIFICATIONS FOR CLAUSSEN OVERCROSSING AND  
HIGHWAY 101 SEWER MAIN INVESTIGATION AND  
REHABILITATION (PROJECT NO. 2015-10), AND FINDING THE  
PROJECT EXEMPT FROM CEQA**

**WHEREAS**, the City investigated the conditions of the sewer mains under Claussen Overcrossing, Highway 101, and Commerce Boulevard and Avram Avenue; and

**WHEREAS**, the existing sewer mains under Claussen Overcrossing, Highway 101, and Commerce Boulevard and Avram Avenue will need to be rehabilitated; and

**WHEREAS**, the nature of the project is to rehabilitate existing infrastructure by inserting cast in place pipe into the existing sewer main in a manner that minimizes surface disruption and does not increase the capacity or footprint of the existing sewer; and

**WHEREAS**, the plans and specifications for the Claussen Overcrossing and Highway 101 Sewer Main Investigation and Rehabilitation (Project No. 2015-10) were designed by GHD, Inc. and approved by the City Engineer; and

**WHEREAS**, the California Environmental Quality Act (CEQA) provides an exemption for repair and rehabilitation of existing infrastructure and an analysis has been prepared that documents the applicability of this exemption.

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of Rohnert Park as follows:

1. The above recitals are true and correct and material to this Resolution.
2. In making its findings, the City Council relied upon and hereby incorporates by reference the staff reports, presentations, analyses and all other related materials.
3. Project No. 2015-10 is exempt from CEQA under CEQA Guidelines Section 15301, for the repair and rehabilitation of existing facilities, because the project involves no expansion of an existing sewer main, as is more particularly described in the exemption analysis dated February 29, 2016.
4. The plans and specifications for the Claussen Overcrossing and Highway 101 Sewer Main Investigation and Rehabilitation (Project No. 2015-10) are hereby approved and adopted.
